The General Services Administration (GSA) has offered domestic delivery services through its GSA Multiple Award Schedules program since 2001, leveraging the Government’s purchasing power by soliciting for domestic delivery services for express small package and heavyweight, shipments to assist the Government in meetings its delivery needs. Services include, but are not limited to, the following:

- Express Same Day
- Express Heavyweight
- Accessorials
- Value-Added Services
- Reporting

All services necessary to provide domestic delivery services are required. Typical tasks may include, but are not limited to:

- Package pick up
- Special handling
- Package delivery
- Management reports
- Hazardous material

Commercial delivery services for Express Same Day, delivery of extremely urgent letters, small packages, and heavyweight shipments, including any accessorial services, offered to the general public. Contractors may offer any combination of days or weight ranges for Express Heavyweight Delivery Services. For Express Same-Day Small Package and Express Heavyweight Delivery Services prices must cover delivery nationwide (CONUS), Alaska, Hawaii, and the Commonwealth of Puerto Rico, in accordance with this Requirements document. For Express Same-Day Small Package Service and Express Heavyweight Delivery Services, offers may treat Puerto Rico as a domestic or international shipment as offered commercially.

1. Scope

The Contractor shall:

a) Provide a full range of services necessary to satisfy ordering agencies’ domestic delivery requirements. The Government is seeking services that industry normally accords to commercial customers.
b) Be capable of providing services for ordering agencies with multiple organizational levels and geographic locations nationwide as specified in the Scope of the Contract clause.
c) Be capable of handling multiple task orders simultaneously.
2. **General Requirements**

   a) The Contractor shall ensure that its firm and staff maintain any generally required professional certification, accreditation, license, bond, and proficiency relative to their area of expertise. The Contractor shall retain documentation of such records. The Government will not pay for expenses to meet this requirement.

   b) For Express Small Package and Express Heavyweight Delivery Services, the Contractor shall provide service coverage to 95% of all ZIP Codes located in CONUS, Alaska, Hawaii, and the Commonwealth of Puerto Rico as defined by the U.S. Postal Service ZIP Code Directory, or to all the ZIP Codes provided commercially, whichever is greater. For Express Small Package Services and Express Heavyweight Delivery Services, Puerto Rico may be treated as a domestic or international shipment, as offered commercially.

   c) The Contractor shall provide pickup and delivery service to Government facilities, commercial addresses, and private residences. The Contractor is not required to provide pickup or delivery service to Post Office boxes, Army Post Office (APO) or Fleet Post Office (FPO) addresses. This exception does not apply to deliveries made by the United States Postal Service.

   d) The Contractor shall provide services under this contract in accordance with the Private Express Statutes and 39 Code of Federal Regulations, Chapter 1, Parts 310 and 320.

   e) The Contractor shall use their commercial terms and conditions as stated in their Commercial Service Guide in providing services under this contract, to the extent that they do not conflict with the terms and conditions of this contract.

3. **Reporting Requirements**

   The Contractor shall:

   a) Provide Government agencies with standard commercial and custom reports as requested. This includes, but is not limited to, services ordered, number of transactions, price, shipping history, weight of shipments, returns, accessorials, etc. The Contractor shall identify commercial reports that are available to enhance an agency’s ability to manage its domestic delivery services. Reports should be available on a monthly, quarterly and yearly basis, and have the ability to roll up data at an aggregate level for the agency.

   b) Provide all information for transactions paid by all forms of payment, including, but not limited to, the Government Purchase Card in all reports.

   c) Provide GSA with a quarterly report, electronically, that details each ordering agency’s domestic delivery expenditures for the given report period, and provide a cumulative total across all agencies serviced, by type of service ordered for the fiscal year report period. See *Electronic Submittal and Required Data Fields* below.

   The Government operates on a fiscal year basis of October 1 through September 30 of each year. The report is due by the 30th calendar day after the end of each report period, as indicated below:

**Failure to Submit Reports.** The failure to submit a report in two (2) consecutive quarters and/or three (3) of four (4) quarters may result in negative evaluation when considering performance rating for renewing options and may result in termination of the Contract. Contractors with contracts on file for this SIN are required to submit a report even if no services were provided during the quarter.

**Fraudulent Use:** The contractor shall provide the GSA Contracting Officer a quarterly report listing any suspected fraudulent use of the Schedule by authorized or unauthorized users (e.g. using the TDRS schedule for personal use vs. official Government purposes). Contractors may report suspected fraudulent use to the GSA Contracting Officer at any time.

The information shall include, at a minimum, the agency, account number, name and address of account, point of contact and phone number for the account, shipping and billing information including the sender and recipient, origin and destination addresses, and proof of delivery. The contractor shall
provide the relevant information and the reason why it suspects fraudulent use of the Government account number, including names, dates, phone numbers, origin and destination information for suspected shipments, billing and payment information, and any action taken by the Contractor.

Customized Reports:

(1) The Contractor, if offered commercially, shall provide upon request of the Government agency, customized reports on service performed under this contract.

(2) The specific data elements of the report will be outlined in the Task Order.

GSA Contracting Office:

From time to time, the GSA Contracting Office may require and the Contractor shall provide agency-specific data on the contract services provided (e.g., number of transactions per service, associated sales, etc.) to respond to Congressional, policy, management or OMB inquiries about a specific agency(ies). This is separate from other reporting requirements identified herein.

5) The delivery is completed at a private residence when the consignee, or an individual at the location accepts the package(s) and signs for receipt, if requested.

6) If security or administrative restrictions prohibit delivery within a building, than the Contractor shall make delivery to the area designated for delivery (e.g. mailroom, security area, administrative area, x-ray machine). For purposes of the delivery commitment, delivery will have been made when delivery has been made to the area designated for delivery.

**m) Specific Agency Arrangements**

When the Contractor and agency agree, the Contractor shall change the pickup and/or delivery locations, establish regular pickups, consolidate delivery points, install lock/drop boxes, or establish other similar operational procedures to more efficiently and effectively service agency accounts, or provide the services offered commercially, whichever is greater.

**n) Attempted Delivery**

1) The Contractor shall attempt to deliver a shipment the number of times they do commercially.

2) The Contractor shall leave a notice of attempted delivery on each delivery attempt.

3) The Contractor shall contact the consignor or consignee for disposition instructions if the delivery attempt is unsuccessful, in accordance with commercial practice. The cost of any further disposition or additional deliveries requested by the consignor will then be the responsibility of the consignor.

4) For Express Heavyweight shipments, when a delivery attempt is unsuccessful, no delivery re-attempt will be made except upon request of the consignee.

5) For on-time tracking purposes, the delivery is accomplished on the date and time of the first attempted delivery to the address on the package.
o) **Address Adjustment**

The Contractor shall attempt to correct any obvious destination address errors which would not cause late delivery of the shipment (e.g., incorrect street address or room number) and deliver the shipment within the time requirements specified herein at no additional cost. If the shipment cannot be delivered, the Contractor shall contact the consignor or consignee for disposition instructions, in accordance with commercial practice.

p) **Adjustment of Shipment Weight**

1) The Contractor may reweigh a shipment at any time prior to delivery.
2) If the shipment weight is not equal to the actual weight (including Letters or Envelopes that weigh over 8 ounces), the Contractor shall enter the correct weight and apply the correct charge to the shipment.
3) Weight adjustments will be in accordance with commercial practice.
4) The Contractor shall indicate on the billing documents submitted to the paying activity those shipments that have been adjusted for weight.

q) **Default Weight**

1) When the shipper does not indicate the weight of an individual package or the total weight of a multiple package shipment, the Contractor has the choice of weighing the package(s) and indicating the weight on the appropriate shipping document or allowing the weight for an individual piece to default to the Contractor’s commercial default weight.
2) The Contractor shall indicate on the billing documents submitted those shipments where default weight was applied.

r) **Customer Service**

The Contractor shall provide a toll free telephone number staffed with customer service personnel familiar with the terms and conditions of the contract, or provide the level of customer service in accordance with commercial practice.

s) **Commercial Forms and Procedures (CF&P)**

1) The Contractor shall provide all commercial forms (electronically and/or in hardcopy form) necessary for the successful pickup, transportation, and delivery of all items under the contract in accordance with commercial practice.
2) Both the CBL and electronic CF&P shall have space for the consignor to select service(s) awarded to the Contractor under this contract.

Requirements
10/1/19

1) The Contractor shall provide Commercial Bill of Lading to each account established with agencies that have submitted a Task/Delivery Order or BPA to the Contractor.

2) The Contractor shall provide instructions on the proper procedure for filling out the Commercial Bill of Lading.

u) Packaging Requirements

The Contractor shall provide instructions on the proper procedure for packing, packaging, and labelling of shipments, in the manner they provide commercially.

v) Shipping Systems

The Contractor shall provide a shipping system to accountholders in accordance with commercial practice. The shipping system shall have the same features as offered commercially.

w) Training Provided by the Contractor

If offered commercially, the Contractor shall provide to Government agencies, upon their request, training sessions and distribute a training videotape for the purpose of explaining the contract services awarded and how to most efficiently and effectively use them.

x) Assignment of Account Number

1) Except point of sale transactions, upon receipt of a Task/Delivery Order or Blanket Purchase Agreement (BPA) the Contractor shall begin the process of assigning account numbers.

2) Assignment of account numbers shall be the first step in the account set-up process. The set-up shall be completed within the timeframes commercially offered.

3) The Contractor shall, when requested by the agency, accept new accounts only when approved by the agency point of contact.

4) The Contractor shall assign unique account numbers to all agencies who have issued a Task/Delivery Order or BPA to the Contractor requesting delivery services and for which the Contractor has accepted the Task/Delivery Order.

5) The Contractor shall be responsible for the maintenance of account numbers throughout the life of the Task/Delivery Order or BPA.

6) In the event the ordering agency selects a new service provider of domestic delivery services, the Contractor shall transition agency data to facilitate and ensure a smooth transition in accordance with standard commercial practices.

y) Quality Assurance

1) The Contractor shall maintain a quality assurance program that shall ensure the security of the shipments, equipment and data has adequate safeguards and satisfies contract requirements; and

2) The information captured for reports, if offered commercially, is accurate, complete, and timely; and

3) Customer service assistance is available in handling customer complaints, resolving customer issues and paying of claims in accordance with the terms and conditions of this

5) **Hold for Agency Pickup**.
   The Contractor shall hold a shipment, for pickup at the Contractor’s destination facility, for the number of business days offered commercially, when requested. Perishable items, dangerous goods, and dry ice shipments cannot be held for agency pickup at the Contractor’s destination facility. After holding the shipment, for the number of business days offered commercially, without being picked up by the consignee, the Contractor shall attempt to contact the consignee to arrange for pickup. If the consignee fails to pick up the shipment within the number of additional business days offered commercially after notification or attempted notification, the Contractor shall contact the consignor for disposition instructions. The cost of disposition, storage, and deliveries requested by the consignor will be the responsibility of the consignor. For purposes of Contractor performance, the delivery shall be considered accomplished on the date and time the package(s) arrive at the Contractor’s facility where it is being held awaiting pickup.
6) **Hazardous Material and Dangerous Goods Service**.
   Provide pickup, special handling, and delivery of hazardous material and dangerous goods in accordance with Section 8, below.
7) **Inside Pickup and Inside Delivery for Express Heavyweight Shipments**.
   When requested by the consignor, the Contractor shall provide inside pickup from positions beyond the receiving/loading dock, main entrance location, adjacent loading area, or front door of the residence. The Contractor employees shall be equipped with material handling tools appropriate for the pickup based upon information provided by the consignor. Additional services (e.g., packing, skidding, assembly, crating, storage, unpacking, de-skidding, disassembly, uncrating, breakdown and removal and disposal of packing material debris) may also be provided.

aa) **Accessorial Billing Services**

If offered commercially, the Contractor shall provide the following Accessorial Billing Services in accordance with the Contractor’s commercial practice.

1) **Address Correction**
   Incorrect destination addresses, which have errors that are not obviously correctable, shall be researched, and the proper address used to deliver the shipment. If the correct address cannot be determined after research and the consignee cannot be reached, the Contractor
shall contact the consignor for address clarification or disposition instructions. The fee for
address correction shall be in accordance with commercial practice. The delivery is not late (not within the time criteria for on time delivery herein) when the address is incorrect.

2) **Invalid or No Account Number**

On CBL’s or electronic CF&P’s that have no agency account number or have an invalid,
incomplete, or inaccurate account number, the Contractor, may try to determine the
correct account number from their records and bill the shipping agency, the consignee, or
the third party, depending upon the payment method selected by the consignor. When the
correct agency account number cannot be determined, the Contractor may bill the
shipping agency without a Contractor account number. The fee for no account number, or
an invalid, incomplete, or inaccurate account number shall apply only once for each
shipment.

3) **Rebilling**

The Contractor shall change the billing (bill shipping agency, bill consignee, and bill third
party), selected on the CBL or electronic CF&P, if requested by the shipping agency,
within the allowable number of calendar days of invoice date that are offered
commercially. The rebilling shall apply only to unpaid shipments. If there is a charge for
rebilling, it may be charged for each separate rebilling request.

4) **Credit Card Decline Fee**

A credit card decline fee may apply to any transaction billed to a Government Charge
Card that has been accepted by the Contractor for which the Contractor is unable to
obtain payment.

5) **Return Shipment**

The Contractor shall contact the consignor for disposition instructions if the attempt to
deliver the shipment is unsuccessful. The cost of any further disposition or additional
deliveries requested by the consignor will then be the responsibility of the consignor, who
will be billed at the current contract rate(s). The Contractor shall deliver the return
shipment using the delivery service the Contractor uses commercially to return shipments.

6) **Additional Accessorial Services**

The Contractor may offer additional accessorial services in addition to those listed herein.
The Contractor may propose to add/delete accessorial services at any time pursuant to
the Modifications Clause

7) **Value-Added Services**

The Contractor may provide value-added services in accordance with the Contractor’s
commercial practice. This includes, but is not limited to:

- Automatic money back guarantee

Requirements
10/1/19

- Increased service coverage
- Tracking/tracing by transportation control number (17 alpha-numeric positions)
- Payment by electronic proprietary and shipment systems (e.g., Third Party Payment System)
- Software interface to agency systems (e.g., transportation management and financial systems).

The Contractor shall, when requested by an agency, develop an interface between Contractor-provided software and civilian agency (or other authorized contract user) standard transportation management systems. The Contractor shall also develop an interface between Contractor-provided software and the DoD standard transportation management system. The Standard Transportation Industry Information Processor is a generic software module which is used by Military Services and DoD agencies to employ integrated shipper system capability. The Contractor shall use this DoD interface to exchange price and shipment planning information with DoD shipping systems for preparation of shipping documents, labels, and EDI transactions for end of day reporting. Software will be portable across a variety of platforms to include mainframes, super minicomputers, and personal computers. The Contractor shall provide this software to defense agencies for distribution to operating locations.

5. Insurance Valuation/Replacement Value and Liability Coverage

Contractors must disclose to all customers the required and optional liability coverage amounts for all shipments at the time of ordering, prior to shipment.

a) For Express Small Package shipments, the Contractor shall provide liability coverage of $100 per package, or the amount offered commercially, whichever is greater, unless a higher liability coverage is declared on the CBL or electronic CF&P at the time the shipment is tendered.

b) For Express Heavyweight shipments, the Contractor shall provide liability coverage of $75.50 per shipment or $0.50 per pound per shipment, whichever is higher, or the amount offered commercially, whichever is greater, unless a higher liability coverage is declared on the CBL or electronic CF&P at the time the shipment is tendered.

c) Additional Liability Coverage. Additional liability coverage should be available in increments of $100. The Contractor shall offer the employee an option to purchase additional insurance above the basic coverage. This pricing will be included in the price list uploaded to GSAdvantage! The amount of insurance coverage must be written on the CBL or electronic CF&P.

d) Loss or Damage. The Contractor shall provide customer service personnel familiar with the handling of claims for loss or damage of shipments made under the contract.

1) The Government will submit notification of claims for loss or damage in accordance with the time frames specified in the Contractor’s Commercial Service Guide, in accordance with commercial practice.

2) The Contractor shall have the number of business days offered commercially from the date of receipt of the agency notification of loss or damage, to provide the disposition of the claim.
6. **Hazardous Material and Dangerous Goods Service**

The Contractor shall:

a) If offered commercially, provide pickup, special handling, and delivery of hazardous materials and dangerous goods. All shipments containing hazardous material or dangerous goods shall be handled and shipped in accordance with the requirements as outlined in the applicable governing regulations, including, but not limited to, Title 49 of the Code of Federal Regulations (49 CFR) and all applicable state and local regulations for the interstate and intrastate surface movement of shipments containing hazardous material or dangerous goods under this service.

b) If offered commercially, provide transportation of hazardous materials other than Class A and B explosives; hazardous wastes; and radioactive articles requiring a hazardous material label in accordance with Title 49 of the Code of Federal Regulations (49 CFR).

c) Include a Shipper’s Certification, Shipper’s Declaration of Hazardous Materials or Dangerous goods with the shipment, indicating the Hazard Classification, including, but not limited to, whether it is an air or marine pollutant, a poison inhalation hazard, and its flash point, if applicable. All such freight must be labeled as hazardous in accordance with Section 5103 of the Federal Hazardous Materials Transportation Law (49 USC 5103 USC 5103 et seq. and the carrier must be notified in advance.

7. **Security Requirements**

The Contractor shall:

a. Have in place a program which assures the Government that there are adequate safeguards to protect Government shipments from loss, damage, theft, or terrorism, and provides for the security of the EDI transmission of Government data; and
