MEMORANDUM FOR MICHAEL GELBER
HEAD CONTRACTING ACTIVITY (HCA)
ACTING COMMISSIONER, PBS (P)

FROM: JEFFREY A. KOSES
SENIOR PROCUREMENT EXECUTIVE

SUBJECT: REVIEW AND APPROVAL, CLASS JUSTIFICATION FOR OTHER THAN FULL AND OPEN COMPETITION

I have reviewed the attached class justification, dated June 22, 2017, which authorizes the use of other than competitive procurement procedures in contracting for electricity, natural gas, water and steam where State and local laws preclude the provision of such services by other than a single franchised utility provider, or where transportation or distribution, or both, of such utilities are limited to a single utility provider. This class justification only applies to contracts and orders placed by the General Services Administration.

I hereby approve the class justification for other than full and open competition procedures on proposed regulated utility procurements described herein pursuant to the authority of FAR Section 6.304 and GSAM 506.303-1(a). This approval is for all affected contract actions that are awarded on or before July 31, 2022.
