

# Notice of Public Comment Deadline Extension and Public Meeting for San Ysidro Land Port of Entry Improvements Project

The U.S. General Services Administration (GSA) has extended the deadline for submission of public comments on the San Ysidro Land Port of Entry (LPOE) Improvements Project Draft Supplemental Environmental Impact Statement (SEIS), from November 12, 2013 to **November 29, 2013**.

The project is located along Interstate 5 at the United States-Mexico border in the San Ysidro community of San Diego, California. The Draft SEIS analyzes the environmental impacts of the revised project, which now includes proposed modifications to the number of vehicle lanes on the southbound roadway and a bi-directional pedestrian crossing facility on the west side of the LPOE at Virginia Avenue, in addition to LPOE improvements previously analyzed in the project's 2009 Environmental Impact Statement (EIS). Written comments now must be received by November 29, 2013, and may be sent to: General Services Administration, Attention: Osmahn Kadri, NEPA Project Manager, 450 Golden Gate Avenue, 3<sup>rd</sup> Floor East, San Francisco, CA 94102; or via email to [osmahn.kadri@gsa.gov](mailto:osmahn.kadri@gsa.gov).

GSA will also host a public meeting in an informal open house format, to answer questions and receive comments on the Draft SEIS.
