

SECTION 6 FORMAT REQUIREMENTS

6-1. Format Requirements.

Transportation Service Providers (TSPs) or Rate Filing Service Providers (RFSPs) submitting rate offers in response to this RFO MUST submit their rate offers electronically via one of the four methods identified in the Cover Letter of this Request for Offers (RFO). TSPs or RFSPs “Uploading” rate offers and not using the Transportation Management Services Solution (TMSS) rate filing screens for the creation/addition/deletion of rates offers, must adhere to the following format requirements set out in Section 6-2 below. A TSP or RFSP must have access to the “HHG Rate Filing” module in TMSS before they can create and/or upload rate offers. A TSP or RFSP must contact their Group Administrator for access to the rate filing module if they do not already have access within TMSS. TSPs and RFSPs may use the TMSS help screens for additional assistance with rate filing. Submissions received from TSPs or RFSPs not conforming to format requirements will not be accepted by TMSS and the TSP or RFSP will be notified as set out in Section 1-1.6.

Important Notes on the Rate Filing Process:

1. All TSPs must obtain access to TMSS in order to keep their contact information current by updating such information online in TMSS.
2. Record type ‘H1’ is mandatory and all TSPs must file this record.
3. Record type ‘H2’ is an **optional** record and should be filed only by a RFSP. The information provided in this record will be used by TMSS for notifying any file processing related issues to the RFSP. The TSP will not receive any notifications if the rates are being filed by an RFSP.
4. When the rate file preparation is complete, it MUST be saved as an unformatted ASCII (Text Only) flat file (e.g. no tab characters, etc.) before attempting to transfer the file.
