FedFleet 2019

Coming Soon to Automated Solutions

FedFleet 2019

Multi-Factor Authentication (MFA)

- NIST/GSA requirements for MFA
- What is MFA?
 - User granted access to application only after presenting two or more verification factors
 - Something you know
 - Something you have
 - Something you are

FedFleet 2019

Multi-Factor Authentication

- Fleet implementation:
 - Something you know: user name/password
 - Something you have: access code received via
 - email
 - text
 - voice message
- Updating current applications with new fields
- Organizational solution across several GSA/FAS applications

FedFleet 2019

System Modernization

- Embarking on a multi-year modernization
- The vision for customers
 - One-stop shop
 - Single point of entry for all Fleet's customer-facing applications
 - AutoChoice, Drive-thru, STR, DRM, etc
 - Data
 - Customized experience
 - Dashboards
- Much more to come...
