Case Study:

Law Enforcement

Problem:

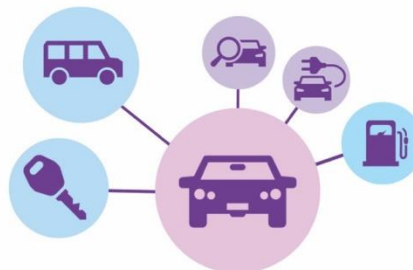

Federal Government lacked standardization and a centralized process to procure law enforcement vehicles

Solution:

An interagency team was formed to develop detailed, customer-based purchase descriptions for law enforcement vehicles.

Results:

- 50% reduction in procurement lead time
- 26% reduction in equipment
- 20% reduction in the cost of equipment
- 2,258 vehicle packages ordered in FY18

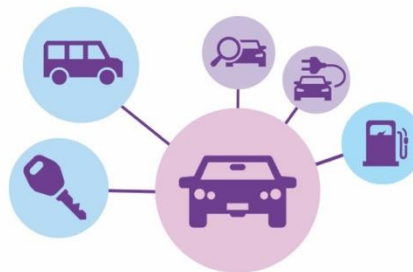

Vehicle Leasing:

Full Service Fleet Management

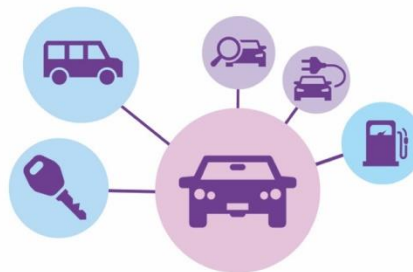

- Acquisition
- Fleet Service Card
- Fleet Service Representative
- Maintenance and Accident Management
- Safety
- Automated Systems
- Telematics
- Remarketing
