Important Delivery Considerations

For your convenience, all items are direct delivery from our industry partners, which provides faster delivery and lower prices to our customers. Most Global Supply orders arrive quickly via small-parcel carriers and are priced as FOB Destination, so delivery is included in GSA pricing and there will be no additional freight charges. However, larger furniture will be delivered via common freight carriers and may require advance notice and/or additional delivery fees.

To avoid delivery issues, email furniture@gsa.gov first if you require any of the following special services for your order: Residential/Telework Duty Station Delivery, Inside Delivery/Pick Up, Lift Gate, Limited Access Delivery, Notification/CBD, Ship Fully Assembled, Installation, Pre-delivery Notification, Re-delivery/Return Trip.
