CONTRACTOR MANAGEMENT AND PERSONNEL

Key personnel are the Program Managers, Group Managers (GM), all proposed management positions and all direct billable personnel. The Contractor will inform the Government 10 workdays before staffing changes are made. Contract management positions are not direct billable. Group Managers support ANSWER on a full-time basis at the rate of one GM for every 35 personnel – no GM may supervise more than 50 people. The contractor is responsible for supervision of all personnel on tasks. Specialized skill levels may be approved and negotiated by the Procuring Contracting Officer. Technical refreshment may be provided to improve contract performance or to react to changes in technology. Administrative and management support, and the support items associated therewith, by ANSWER Contractors are provided at no direct cost to the Government. Contractor offices shall be established in accordance with the contractor's proposal.
