Acquisition Solutions – Simplified!

MAS Value Proposition

With MAS, you will:

1. Realize cost savings

- Up-to-date, FAR-compliant acquisition vehicles that help you minimize risks
- Competitive market-based pricing that leverages the buying power of the federal government, with the ability to negotiate further discounts at the order level
- Acquisition experts available to help you make the most of MAS
- On-site and online training for help in using MAS
- Service to meet your mission needs, from the government's premiere acquisition agency

2. Experience flexibility and choice

- The ability to tailor orders to get what you need by customizing terms and conditions at the order level
- Alternatives such as blanket purchase agreements and contractor team arrangements that can replace the need for agency indefinite delivery/indefinite quantity contracts
- Decision tools and contracting solutions proven to meet complex requirements
- A vast selection of contractors offering expert solutions for services and products

3. Save time

- Pre-competted, on-demand contracts to increase the productivity and capacity of scarce acquisition resources
- Quick and easy access to the right industry partners, allowing you to make the most use of your valuable time

4. Realize transparency

- A suite of eTools that can be leveraged to identify qualified (IDIQ) contractors, maximize competition, and assist you in reaching your socioeconomic goals
- Business intelligence into customer purchasing patterns when using use GSA eTools

5. Control the procurement

- Self-service access that allows agency contracting offices to retain control of their procurements, including requirements development, evaluation, award and administration
- Full-service options when in-house resources are tapped with other pressing projects
