Welcome!

The Schedules Input Program (SIP) is designed to help you format and submit your GSA/VA Schedule contract products and services to GSA Advantage. GSA Advantage (www.gsaAdvantage.gov) has over 300,000 registered Federal buyers located throughout the world. We invite you to join the over 10,000 vendors currently using SIP to submit and maintain their government catalogs on GSA Advantage.

What are the benefits of GSA Advantage?

- Exposes your products and services to a worldwide Federal audience
- Has the potential to increase Federal sales
- Provides an excellent marketing and ordering tool

What are the benefits of using SIP?

- SIP software is free to Schedule vendors
- Allows you to provide product descriptions, web-links, photos, pricing and discounts, accessories and more to Federal buyers

How does SIP work? Use SIP to input individual products and services, or for larger catalogs (200+), you may use SIP [import](#) which is included with this software. There are also a number of 3rd party vendors who can submit your file for a fee. SIP files submitted to GSA are reviewed by your GSA/VA contracting officer who will compare your submission to your contract and either approve or send back to you for corrections. Approved files are posted to GSA Advantage for ordering.

How do I get started? First, [register](#) with our Vendor Support Center (VSC). The VSC will provide you a user ID and password. We also recommend you review our [Startup Kit](#).

Who can I contact if I have questions? Our VSC help desk stands ready to assist you. You may contact us at 877-495-4849 (M-F 7:30-5:30 EST), or send an email to: vendor.support@gsa.gov. The VSC also provides SIP training if needed.

GSA *eBuy*

GSA Advantage! | e-Library

Welcome

GSA's latest e-Business innovation, *eBuy*, is an electronic Request for Quote (RFQ) / Request for Proposal (RFP) system designed to allow government buyers to request information, find sources, and prepare RFQs/RFPs, online, for millions of services and products offered through GSA's Multiple Award Schedule (MAS) and GSA Technology Contracts. Government buyers can use eBuy to obtain quotes or proposals for services, large quantity purchases, big ticket items, and purchases with complex requirements.

Instructions: Displayed below are the SINs awarded under your MAS contract(s). By default, your VSC e-mail is assigned to all SIN categories. You may change or customize your e-mail preferences as necessary. Additional e-mail addresses may be added to SINs using the "Add e-mail" box. You must have at least one e-mail address per SIN.

The "Turn off e-mail notices" means you will not receive e-mails of RFQ opportunities or status of your quotes and your company name will be removed from vendor listings within e-Buy. You may still participate by checking this site for RFQ opportunities.

Attention Multiple Contract Holders

[Click here if you have multiple contracts and wish to use a single login for all your contracts.](#)

Consolidated e-mail notices are sent out approximately every four hours. Please note that some RFQs may open prior to the email notifications. RFQs remain open for a minimum of 48 hours.

GSA Contracts Online

Welcome to GSA Contracts Online!

Contracts Online is designed to provide access to specific contract terms and conditions for a selected contract. Exceptions taken by the contractor to any standard contract clauses in the solicitation are also noted for your convenience. Contracts Online was developed to provide greater visibility of GSA contract information when performing market research and/or placing orders.
