⁷ All square feet data is represented in gross square feet.

⁸ The FY 2007 data presented throughout this report may differ slightly from the FY 2007 data published in the FY 2007 Federal Real Property Report. Differences in data where year-to-year comparisons are made are attributed to the fact that data from only the CFO Act Agencies are shown. Focusing on the CFO Act agencies allows for consistency and comparability from year to year.
