NEGOTIATED AREAWIDE CONTRACT
No. **GS-00P-10-BSD-0801**

BETWEEN THE
UNITED STATES OF AMERICA
AND
San Diego Gas & Electric Company

THIS AREAWIDE CONTRACT FOR electric, natural gas, and energy management Services is executed this 9th day of November, 2010, between the UNITED STATES OF AMERICA, acting through the Administrator of General Services (hereinafter referred to as the "Government"), pursuant to the authority contained in 40 U.S.C. 501(b)(1), and San Diego Gas & Electric Company, a corporation organized and existing under the laws of the State of California, and having its principal office and place of business at 8306 Century Park Court, San Diego, California 92123 (hereinafter referred to as the "Contractor"):

WHEREAS, the Contractor is an electric and natural gas utility that provides energy management services and is regulated by the California Public Utility Commission and the Federal Energy Regulatory Commission (hereinafter referred to collectively as the "Commission");

WHEREAS, the Contractor now has on file with the Commission and/or with such other regulatory bodies as may have jurisdiction over the Contractor all of its effective tariffs, rate schedules, riders, rules and regulatory terms and conditions of service, as applicable;

WHEREAS, the Government and Contractor have entered into various agreements subject to the regulatory authority of the Commission that allow the Government to obtain electric and gas utility services, transmission of the same and energy management services that are subject to the Commission's jurisdiction (collectively, "Utility Services", as further defined below).

WHEREAS, with some exceptions, the Government is generally required by Chapter 1 of Title 48 of the Federal Acquisition Regulations (FAR), 48 CFR 41.204, to enter into a bilateral contract for electric, natural gas, and/or energy management services at each Federal facility where the value of the utility service provided is expected to exceed \$100,000 per year;

WHEREAS, where the Government has an Areawide Contract in effect with a particular utility then such utility service is normally to be procured thereunder;

WHEREAS, the Contractor and the Government mutually desire that this Areawide Contract be used by the agencies of the Government in obtaining electric, natural gas, and/or energy management services from the Contractor and to facilitate partnering arrangements as encouraged and authorized by 10 U.S.C. 2911-2918 and 42 U.S.C. 8256; Energy Policy Act (EPACT) 2005 and Energy Independence and Security Act 2007.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties hereby agree as follows:

ARTICLE 1. DEFINITIONS.

1.1. As used in this contract,

(a) the term "Areawide Contract" means this master contract entered into between the Government and Contractor to cover the utility service acquisitions of all Federal agencies in the franchised certificated service territory from Contractor for a period not to exceed ten (10) years;

(b) the term "Agency" means any Federal department, agency, or independent establishment in the executive branch of the Government, any establishment in the legislative or judicial branches of the Federal Government, or any wholly or mixed ownership Government corporation, as defined in the Government Corporation Control Act, a list of which Agencies may be found by searching the document entitled ADM 4800.2E on the General Services Administration website;

(c) the term "Ordering Agency" means any Agency that is authorized to and obtains Utility Services under this Areawide Contract;

(d) the term "Authorization" means an order form used to acquire services under this Areawide Contract (see Exhibit "A" AUTHORIZATION FOR ELECTRIC SERVICE, Exhibit "B" AUTHORIZATION FOR NATURAL GAS SERVICE, AND/OR Exhibit "C" AUTHORIZATION FOR ENERGY MANAGEMENT SERVICE) annexed hereto. With the exception of the provisions defined in "Contractor's Tariff" and "Contractor's Terms and Conditions," all authorizations shall be administered outside of the oversight and purview of the regulatory environment and in accordance with the requirements of the Federal Acquisition Regulations;

(e) the term "Termination Authorization" means an order form used by the Government to notify the Contractor that the Government wants to discontinue or disconnect a specific utility service provided under this Contract, where the Authorization for Utility Services does not otherwise specify how Utility Services are to be terminated. (SEE EXHIBIT "A" AUTHORIZATION FOR ELECTRIC SERVICE, EXHIBIT "B" AUTHORIZATION FOR NATURAL GAS SERVICE, AND/OR EXHIBIT "C" AUTHORIZATION FOR ENERGY MANAGEMENT SERVICE);

(f) the term "Service" means any electric, natural gas, and/or energy management services generally available from the Contractor pursuant to Contractor's Tariff or the Contractor's Terms and Conditions, whichever is applicable;

(g) the term "Electric Service" means regulated electric commodities (where applicable), transportation, distribution, and/or related services;

(h) the term "Natural Gas" service means regulated natural gas commodities (where applicable), transportation, distribution, and/or related services;

(i) the term "Energy Conservation Measure" means any specific energy efficiency application (including electric, gas, & water) intended to provide energy savings and/or demand reduction in Federal facilities (Reference Article 18 herein);

(j) the term "Energy Management Service (EMS)" means any project that reduces and/or manages energy demand in a facility as well as energy audits and any ancillary services necessary to ensure the proper operation of the energy conservation measure. Such measures include, but are not limited to, operating, maintenance and commissioning services (Energy Conservation Measure and Demand Side Management Measure are considered equivalent terms.) To be considered an EMS measure, the measure must satisfy all of the following requirements:

1. the EMS measure shall be designed with the intent to produce measurable energy reductions or measurable amounts of controlled energy and/or water use;
2. the EMS measure must have the determination to be directly related to the use of energy or directly control the use of energy or water;
3. the preponderance of work covered by the EMS measure (measured in dollars) must be for items 1 and 2 above; and
4. the EMS measure must be an improvement to real property or any type of practice or procedure that is authorized by EPACT or other similar or superseding legislation.

(k) the term "Contractor's Tariff" means California Public Utility Commission and the Federal Energy Regulatory Commission Utility Service Tariffs, and includes rate schedules, covenants, riders, rules, regulations, and regulated terms and conditions of service as may be modified, amended or supplemented by the Contractor from time to time and approved by the Commission;

(l) the term "Contractor's Terms and Conditions" for this Agreement, means the generic terms, conditions, policies, procedures, and payment terms established by the Contractor for those services that are provided pursuant to this Contract, and as such, may be modified, amended, or supplemented by the Contractor from time to time, that are under the Commission's jurisdiction, but are not required to be approved by the Commission before they take effect. The definition of "Terms and Conditions" shall not include price-related matters or contract terms developed for specific Authorizations;

(m) the term "Connection Charge" means a Contractor's charge for facilities on the Contractor's side of the delivery point which facilities (1) are required to make connections with the nearest point of supply and (2) are installed, owned, maintained, and operated by the Contractor in accordance with the Contractor's Tariff and the Commission's rules and regulations. The purchase of facilities that are offered via the State of California's permitted Rule No. 2 of the Contractor's currently effective Tariff must be in accordance with the provisions set forth in Subpart 6.3 of the Federal Acquisition Regulations (48 C.F.R. 6.301, which require the Federal Ordering Agency's Contracting Officer to prepare a Justification for other than Full and Open Competition prior to procurement of such facilities which are located behind the metered point of utility service delivery;

(n) the term "Class of Service" or "Service Classification" means those categories of service established by the Contractor's Tariff as filed with the Commission; and

(o) the term "Utility Service" means any Electric Service, Natural Gas Service, Energy Conservation Measure and/or Energy Management Services generally available from the Contractor pursuant to Contractor's Tariff.

1.2. Additional Definitions: This Article is hereby expanded to include the additional definitions contained in FAR Clause 52.202-1, Definitions (JULY 2004), 48 C.F.R. 52.202-1, which are incorporated herein by reference.

ARTICLE 2. SCOPE AND DURATION OF CONTRACT.

2.1. Contract Terms and Termination: This Areawide Contract shall be in effect on and after the 15th day of November, 2010 and shall continue for a period of ten (10) years, except that the Government, pursuant to the clause contained in FAR 52.249-4 (48 C.F.R. 52.249-4), incorporated into this Areawide Contract under Article 14.1-69, or the Contractor, upon 60 days written notice to the Government, and without liability to the Government or any Ordering Agency, may terminate this Areawide Contract, in whole or in part, when it is in their respective interest to do so. Neither the stated duration of this Areawide Contract nor any other termination of it, in whole or in part, shall be construed to affect any obligation for any payment, charge, rate, or other matter that may be imposed pursuant to the Contractor's tariff, Contractor's Terms and Conditions or in any Authorization entered into pursuant to this Areawide Contract.

2.2. Authorization Term: Authorizations may be executed under this Areawide Contract at any time during the term of the Areawide Contract, up to and including the last effective date. The term of the Authorization shall be for a term of up to ten (10) years that is independent of the term of this Areawide Contract provided this contract is superseded by a follow-on contract with the Contractor.

2.3 Execution: The provisions of this Areawide Contract shall not apply to the Contractor's service to any Agency until both the Ordering Agency and the Contractor execute a written Authorization for Electric, Natural Gas, and/or Energy Management services. After both the Government and Contractor have signed the Authorization, the Contractor will furnish to the Ordering Agency, and the Ordering Agency will purchase from the Contractor, the specific utility services described in the Authorization for the installation(s) or facility(ies) that are named in the Authorization.

2.4. Special Rates or Services: Nothing in this Areawide Contract shall be construed as precluding the Ordering Agency and the Contractor from entering into an Authorization for negotiated rates or service of a special nature, provided such negotiated rates or service are in accordance with the rules and regulations of the Commission, if applicable.

ARTICLE 3. EXISTING CONTRACTS.

3.1. The parties agree that an Agency currently acquiring service from the Contractor under a separate written contract may continue to do so until that contract expires or until such time as the Agency and the Contractor mutually agree to terminate that separate written contract and have such service provided pursuant to this Areawide Contract by executing an appropriate Authorization or Authorizations.

3.2. Existing special rates and services of a special nature currently provided under a separate written contract may be continued under the Authorizations described in Article 3.1 if requested by the Ordering Agency and agreed upon by the Contractor.

ARTICLE 4. AUTHORIZATION PROCEDURE AND SERVICE DISCONNECTION.

4.1. Process: To obtain or change service under this Areawide Contract, the Ordering Agency shall complete the appropriate Authorization and forward it to the Contractor. Upon the request of the Ordering Agency, the Contractor shall endeavor to provide reasonable assistance to the Ordering Agency in selecting the service classification which may be most favorable to the Ordering Agency. Upon execution of an Authorization by both the Contractor and the Ordering Agency, the date of initiation or change in service shall be effective as of the date specified in the Authorization. In the event a date is not specified in the Authorization as the effective date, the date in which the Authorization was signed by the Ordering Agency shall be the effective date of the Authorization. An executed copy of the Authorization shall be transmitted by the Ordering Agency to GSA at the address provided in Article 16.1.

4.2. Reasons not to Modify: During the term of this Areawide Contract, effective Authorizations need not be amended, modified, or changed by an Ordering Agency to reflect changes in: accounting and appropriation data, the

Contractor's Tariff, the Contractor's cost of purchased fuel, or the estimated annual cost of service. Such changes are considered internal to the party involved. Where changes are required in effective Authorizations because of a change in the service requirements of an Ordering Agency, an amended Authorization shall be mutually agreed upon and executed.

4.3. Termination: An Ordering Agency or the Contractor may discontinue service provided pursuant to this Areawide Contract to a particular Federal facility or installation by delivering a written Termination Authorization to the other. Such discontinuance of service by an Ordering Agency or the Contractor shall be in accordance with the terms of this Areawide Contract and the Contractor's Tariff, Contractor's Terms and Conditions, or as otherwise provided under a particular Authorization.

4.4 Justification: Prior to entering into an Authorization for goods and/or services generally available from other sources on a competitive basis, the Federal Ordering Agency's Contracting Officer shall prepare a Justification for Utilizing other than Full and Open Competition in accordance with the policies and procedures prescribed by Subpart 6.3 of the Federal Acquisition Regulations (48 C.F.R 6.301). This would apply, for example, when a Federal Agency is procuring excess facilities available under California's permitted Rule 2.

4.5 Expiration: In the event the Areawide Contract is not renewed at the expiration of the contract term, any active Exhibit "C" Authorization for energy management service requires a modification to convert it into a separate contract to incorporate the general terms and conditions of the current Authorization and the term extended to the required contract term specified in the Authorization.

4.6 Clauses for Exhibit: The Contracting Officer of the Authorization shall review the clauses in Article 14 and include the relevant clauses in the Exhibit "A" AUTHORIZATION FOR ELECTRIC SERVICE, Exhibit "B" AUTHORIZATION FOR NATURAL GAS SERVICE, AND/OR Exhibit "C" AUTHORIZATION FOR ENERGY MANAGEMENT SERVICE.

ARTICLE 5. RATES, CHARGES, AND PUBLIC REGULATION.

5.1 Contractor Tariff: A complete listing of all the Contractor's Tariffs are available to the Government and any Ordering Agency electronically at the Contractor's website accessible via the tariff link on the website entitled www.sdge.com/regulatory.

5.2 Subject to the provisions of Article 2.3, all utility and/or energy management service purchases under this Areawide Contract, as well as any other actions taken under this Areawide Contract, shall be in accordance with, and subject to, the Contractor's Tariff and Contractor Terms and Conditions except to the extent that same are preempted by Federal law. Throughout the term of the Contract, the Government shall have full access to the Contractor's currently effective Tariffs. In the event the Contractor's Tariff becomes inaccessible via the internet or the Ordering Agency does not have access to the internet, the Contractor agrees to provide a copy of any newly effective or amended Tariff in accordance with the Contractor's Tariff distribution practices, policies and procedures applicable to all customers.

5.3. Tariff Change: If, during the term of this Areawide Contract, the Commission approves a change in rates for utility service obtained under an Authorization in effect hereunder, the Contractor agrees to continue to furnish, and the Ordering Agency agrees to continue to pay for, those utility services at the newly approved rates from and after the date such a rate change is made effective. As provided in Article 4.2, modification of any Authorization hereunder is not necessary to implement higher or lower rates.

5.4. Applicable Rate: The Contractor hereby represents and warrants to the Government that the utility service rates available to any Ordering Agency hereunder shall at all times not exceed those available to any other customer served under the same service classification for the same or comparable service, under like conditions of use. Nothing herein shall require the Contractor to apply a utility service rate that is inapplicable to the Ordering Agency.

5.5. Scope Change: Reasonable written notice via an Authorization shall be given by the Ordering Agency to the Contractor, at the address provided in Article 16.2, of any material changes proposed in the scope of utility services required by the Ordering Agency.

5.6. Utility Service Requests: To the extent required by the Contractor's Tariff or the Contractor's Terms and Conditions, and in accordance therewith, any necessary extension, alteration, relocation, or reinforcement of the Contractor's transmission and/or distribution lines, related special facilities, service arrangements, energy management services (including any rebates to which the Ordering Agency may be entitled), energy audit services, or other utility services required or requested by an Ordering Agency shall be provided and, as applicable, billed for, by the Contractor.

5.7. Technical Assistance: To the extent available from the Contractor, the Contractor shall provide and, as applicable, bill for technical assistance on or concerning an Ordering Agency's equipment (such as the inspection or repair of such equipment) as may be requested by such Ordering Agency. The charges for such technical assistance shall be calculated at the time the technical assistance is rendered in accordance with the Contractor's applicable billing schedule in effect at the time the technical assistance is rendered (except as otherwise mutually agreed upon by the Contractor and Ordering Agency in writing), and the assistance shall comply with Contractor's Tariff, if applicable.

5.8. Scope of Work: The Authorization used to obtain and provide the matters, Utility Services, or technical assistance described in Articles 5.6 and 5.7 above shall contain information descriptive of the matters, services, or technical assistance required or requested, including the amount of (or method to determine) any payment to be made by the Ordering Agency to the Contractor for the provision of said matters, services, or technical assistance.

5.9. Changes to Scope of Work: Any charges for matters or services referenced in Article 5.6 hereof which are not established by the Contractor's Tariff shall be subject to audit by the Ordering Agency. Payment for the matters and services referenced in Article 5.6 shall not be unreasonably withheld or denied. The Contractor further warrants and represents to the Government that charges for the matters or services referenced in Article 5.6 will not exceed the charges billed to other customers of the Contractor served under the same service classification for like matters or services provided under similar circumstances.

ARTICLE 6. BILLS AND BILLING DATA.

6.1 Bill Submittal: The Utility Services supplied hereunder shall be billed to the Ordering Agency at the address specified in each Authorization. Bills shall be submitted in original only, unless otherwise specified in the Authorization. All bills shall contain such data as is required by the Commission to substantiate the billing, and such other reasonable and available data as may be requested by the Ordering Agency, provided that such other data are contained in bills provided to other customers of the Contractor served under the same service classification as the Ordering Agency.

ARTICLE 7. PAYMENTS FOR SERVICES.

7.1. With the exception of the payments described in Article 7.3 herein, payments hereunder shall not be paid in advance of services rendered. The Ordering Agency shall effect payment of all bills for Utility services rendered under this Contract in accordance with the terms of the Contractor's currently effective payment provisions of the Contractor's Tariff. Changes in the Contractor's Tariff provisions for the payment of bills shall supersede the provisions of this paragraph.

7.2. The Ordering Agency will make invoice payments for services not subject to the direct oversight or approval of the Commission in accordance with the provisions of the FAR Subpart 52.232-25 (Article 14.1-43). The interest rate for late payments made pursuant to this clause shall be computed in accordance with the Office of Management and Budget prompt payment regulations at 5 C.F.R. 1315.

7.3. All payments hereunder shall not normally be made in advance of services rendered in accordance with FAR Subpart 32.4 unless required by the Contractor's Tariff. The applicability of this provision is limited to connection charge and line extension payments specifically cited and provided for in the Contractor's Tariff.

7.4. Method of Payment: Each payment made by Treasury check to the Contractor shall include the Contractor's billing stub(s), or a Government or Ordering Agency payment document that clearly and correctly lists all of the Contractor's account numbers to which the payment applies and the dollar amount applicable to each account. If payment is by Electronic Funds Transfer either through the Automated Clearing House (ACH) or the Federal Reserve Wire Transfer System, the provisions of FAR Subpart 52.232-37 shall apply (See Article 14) and the Ordering Agency must specify the method of payment and the designated payment office on the Authorization form.

ARTICLE 8. CONTRACTOR-OWNED METERS.

8.1. Description: For the purposes of this Article, references to meters shall apply only to Contractor-owned metering devices installed and maintained by the Contractor in accordance with Commission guidelines for Utility Service(s). References to meters under this Article shall not apply to meters that are to be installed by the Contractor at the request of an Ordering Agency, to be owned by the Government as a part of an Authorization for Energy Management Service or other service.

8.2. Operating and Maintenance: Metering equipment of standard manufacture suitable to measure all Utility Services supplied by the Contractor hereunder shall be furnished, installed, calibrated and maintained by the Contractor at its expense. In the event any meter fails to register or registers incorrectly, as determined by the regulations of the Commission, billing adjustments shall be made in accordance with such regulations.

8.3. Reading: The Contractor, so far as possible, shall read all meters monthly in accordance with the Contractor's Tariff and the Commission's regulations.

8.4. Meter Tests: Meters shall be inspected upon installation at no direct charge to the Ordering Agency. Subsequent inspection, periodic testing, repair, and replacement of meters shall be done in such place and manner as provided by the Commission's regulations. Upon notice that a meter is failing to register correctly, the Contractor shall take immediate steps to effect replacement or repair. Ordering Agencies shall have the right to request a meter test in accordance with the procedures prescribed in the Commission's regulations. The tests and applicable meter accuracy standards are those set forth in the Commission's regulations and Contractor's Terms and Conditions. The expense of meter tests shall be borne by the party designated as responsible therefor in the Commission's regulations and the Contractor's Terms and Conditions.

ARTICLE 9. EQUIPMENT AND FACILITIES.

9.1. Operation and Maintenance: Subject to the provisions of Article 5.6 hereof, the responsibility for owning, furnishing, installing, and maintaining all equipment and facilities (other than meters) required to supply service at the delivery point(s) specified in an Authorization shall be determined in accordance with the Contractor's regulated Tariff. The Ordering Agency shall provide, free of charge to the Contractor, mutually agreeable locations on its premises for the installation of meters and such other equipment furnished and owned by the Contractor and necessary to supply service hereunder. The Contractor shall, at all times during the life of this Areawide Contract, operate and maintain at its expense such equipment or facilities for which it has responsibility in accordance with this Article 9.1, and shall assume all taxes and other charges in connection therewith. Notwithstanding anything to the contrary in FAR 52.241-5 (Contractor's Facilities (FEB 1995)), to the extent required by the Contractor's Tariffs and the Commission's rules and regulations, and in accordance thereof, such equipment and facilities for which the Contractor has responsibility in accordance with this Article 9.1 may be removed or abandoned in place. In both cases, the Agency's premises shall be restored by the Contractor at its expense within a reasonable time after discontinuance of service to the Ordering Agency.

9.2. Land Rights: All necessary rights-of-way, easements and such other rights necessary to permit the Contractor to perform under this contract shall be obtained and the expense for same borne in accordance with the Contractor's Tariff and the Commission's rules and regulations.

ARTICLE 10. LIABILITY.

10.1. Restricted Access: If the Government and/or an Ordering Agency has limited or restricted the Contractor's right of access under Article 11 and thereby interfered with the Contractor's ability to supply service or to correct dangerous situations which are a threat to public safety, the Government shall indemnify and hold the Contractor harmless from any liability resulting from such restricted or limited access to the extent permitted by law and authorized by appropriations. This Article 10.1 shall not be construed to limit the Government's liability under applicable law.

10.2. Failure of Service by Contractor: The Contractor's liability to the Government and to any Ordering Agency for any failure to supply service, for any interruptions in service, and for any irregular or defective service shall be determined in accordance with the Contractor's Tariff.

10.3. Failure of Operation by Contractor: Except as provided above, and in accordance with the Contractor's Tariff, the Government shall not be liable for damage or injury to any person or property, including death, occasioned solely by the Contractor, its employees' or agents' negligent installation and use, operation or intentional misuse of the Contractor's equipment or facilities.

10.4. Failure of Operation by Government: In accordance with the Contractor's Tariff, neither the Contractor nor its employees or agents, shall be liable for damage or injury to any person or property, including death, occasioned solely by the negligent installation, use, operation or intentional misuse of Contractor's equipment or facilities by the Government, its employees or agents.

10.5. Environmental: The Contractor shall not be liable for incidents arising out of or in any way connected with the violation or compliance with any local, state, or federal environmental law or regulation resulting from pre-existing conditions at a Government job site, release or spill of any pre-existing hazardous materials or waste, or out of the management and disposal of any pre-existing contaminated soils or ground water which was removed from the ground as a result of work performed by the Contractor, unless it can be determined that there was negligence on the part of the Contractor's employees which resulted in willful failure to notice and react to an obvious pre-existing condition.

The Government agrees to accept full responsibility for and bear all costs associated with pre-existing environmental liability. Responsibility for testing, abatement, remediation, and/or disposal of hazardous material, including, but not limited to, contaminated soil, lead paint, asbestos, fuel oil, or underground fuel oil tanks, shall remain with the Government. Where there is reason to suspect that hazardous material is present at the work site, or where hazardous material is encountered during the course of work being performed, the Contractor shall stop work; notify the Contracting Officer and Activity personnel, and request that the Government test the work site for such hazardous material and appropriately abate and dispose of such hazardous material. Once the work site has been cleared of all hazardous material, the Contractor shall resume work in that area.

ARTICLE 11. ACCESS TO PREMISES.

11.1. The Contractor shall have access to the premises served at all reasonable times during the term of this Areawide Contract and at its expiration or termination for the purpose of reading meters, making installations, repairs, or removals of the Contractor's equipment, or for any other proper purposes hereunder; provided, however, that proper military or other governmental authority may limit or restrict such right of access in any manner considered by such authority to be necessary or advisable.

ARTICLE 12. PARTIES OF INTEREST.

12.1. This Areawide Contract shall be binding upon and inure to the benefit of the successors, legal representatives, and assignees of the respective parties hereto.

12.2. Notification of Change of Ownership: When the Contractor becomes aware that a change in ownership of the Contractor ("change in ownership" for purposes of this Areawide Contract being defined as a sale of more than fifty percent of the outstanding voting stock of the Contractor) or a change in the name of the Contractor has occurred, the Contractor shall notify the Government at the address provided in Article 16.1 within thirty (30) days of the effective date of any such ownership or name change.

ARTICLE 13. REPRESENTATIONS AND CERTIFICATIONS.

13.1. This Areawide Contract incorporates by reference the representations and certifications made by the Contractor, which is on file with the Government.

ARTICLE 14. SUPPLEMENTAL CLAUSES.

14.1. 52.252.2 Clauses and Provisions Incorporated by Reference.

This Areawide Contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address (es): <http://www.acqnet.gov>.

¹ INDICATES THAT THE CLAUSE APPLIES TO THE ENERGY MANAGEMENT AUTHORIZATION AND ONLY TO THE EXTENT THAT THE CONTRACTING OFFICER OF THE DELIVERY ORDER DETERMINES THAT THE CLAUSE IS NECESSARY FOR EFFICIENT CONTRACT ADMINISTRATION.

² INDICATES THAT THE CLAUSE APPLIES TO THE ELECTRIC AND/OR NATURAL GAS SERVICE AUTHORIZATION(S) AND ONLY TO THE EXTENT THAT THE CONTRACTING OFFICER OF THE DELIVERY ORDER DETERMINES THAT THE CLAUSE IS NECESSARY FOR EFFICIENT CONTRACT ADMINISTRATION.

³ THE REFERENCED CLAUSE SHOULD BE INCLUDED IN FULL TEXT IN THE AUTHORIZATION(S) FOR ELECTRIC AND/OR NATURAL GAS SERVICE.

⁴ INDICATES THAT THE CLAUSE HAS BEEN INCLUDED WITHIN THE TEXT OF THE AREAWIDE CONTRACT ON A "SUBSTANTIALLY THE SAME" BASIS AS REQUIRED BY SUBPART 41.501(A) OF THE FEDERAL ACQUISITION REGULATIONS

14.2 Repeal of Clauses During Term of Contract.

If, during the term of this Areawide Contract, any of the clauses contained in this Article are repealed, revoked, or dissolved by the Government, then such clauses shall no longer be part of this contract as of the date of such repeal, revocation, or dissolution. The elimination of these clauses by reason of such repeal, revocation, or dissolution shall not affect the continuing validity and effectiveness of the remainder of this Areawide Contract or other clauses referenced in this Article.

(End of Clause)

ARTICLE 15. SMALL BUSINESS SUBCONTRACTING PLAN REPORTING

15.1. Subcontracting Plan Submittal: Attached hereto and made a part hereof by reference is a SUBCONTRACTING PLAN FOR SMALL BUSINESS CONCERNS, SMALL BUSINESS CONCERNS OWNED AND CONTROLLED BY SOCIALLY & ECONOMICALLY DISADVANTAGED INDIVIDUALS, HUB ZONE BUSINESS CONCERNS, WOMAN OWNED SMALL BUSINESS CONCERNS, VETERAN-OWNED SMALL BUSINESSES CONCERNS AND DISABLED VETERAN-OWNED BUSINESSES negotiated between the Contractor and the Government, which is applicable on a company wide basis pursuant to the requirements of 15 U.S.C. 637(d). The Contractor expressly understands that this subcontracting plan is an annual plan and hereby agrees to submit a new subcontracting plan by **November 30th** of each year during the life of this Contract.

15.2. Information and announcements concerning current developments in the GSA Small Business Subcontracting Program are available on the GSA Energy Center web site accessible via <http://www.gsa.gov/energy>.

ARTICLE 16. NOTICES

16.1. Government Address: Unless specifically provided otherwise, all notices required to be provided to the Government under this Areawide Contract shall be mailed to: U. S. General Services Administration, Center for Energy Management, 301 7th Street, SW, Room 4004, Washington, DC 20407 or via email at energycenter@gsa.gov.

16.2. Contractor Address: All inquiries and notices to the Contractor regarding this Areawide Contract shall be mailed to:

Mr. Dave Guebert – San Diego Gas & Electric

8306 Century Park Court, Mail Stop: CP42C

San Diego, CA 92123

(858) 654-1578

dguebert@semprautilities.com

or to such other person as the Contractor may hereafter designate in writing.

16.3. The Ordering Agency shall provide GSA with a copy of all fully executed Exhibit "C" Authorizations for Energy Management Service including any applicable attachments at the address provided in Article 16.1.

ARTICLE 17. SUBCONTRACTING PLAN ACHIEVEMENTS REPORTING

The Contractor shall provide, as prescribed and directed by the Contracting Officer, an annual report on Subcontracting Plan Achievements (contract awards to small businesses), in accordance with the approved subcontracting plan for small business concerns and small business concerns owned and controlled by socially and economically disadvantaged individuals by **October 30** of each year during the life of this Areawide Contract. The report shall be for the Contractor's previous 4 quarters, to coincide with the Government's fiscal year which ends September 30. The report shall be submitted electronically utilizing the Small Business Administration's Electronic Subcontracting Reporting System. The website address of the system can be found at <http://www.esrs.gov>.

ARTICLE 18. ENERGY MANAGEMENT SERVICES

18.1. Measurement and Verification: Energy Conservation Measures (ECM) will not be normally considered unless a net overall energy usage or cost reduction can be demonstrated and verified. Verification standards for energy projects are established in the M&V Guidelines: Measurement and Verification for Federal Energy Management Projects, published by the Department of Energy's Federal Energy Management Program (FEMP). Individual Authorizations may specify the option of including Measurement and Verification services, if desired by the Ordering Agency, and shall delineate the extent and methodology of such services.

18.2. Payment: Unless otherwise provided by law, the following provisions shall apply to Energy Management Services:

(a) Payment for energy conservation measures, when authorized as an Energy Management Service (EMS), shall be equal to the direct cost of capital or financing amortized over a negotiated payment term commencing on the first payment due date as agreed in the amortization schedule;

(b) The payment term for Authorizations involving Energy Management Service (EMS) shall be calculated to enable the Ordering Agency's payment(s) to be lower than the estimated cost savings to be realized from its implementation. In no event, however, shall this term exceed 90% of the useful life of the equipment and material to be installed.

18.3. Subcontracting: The Contractor may perform any or all of its requested services through subcontractors, including its unregulated affiliates. ECM subcontractors shall be competitively selected in accordance with FAR 52.244-5 (Article 14.1-66 herein). Subcontractor selection shall be based on cost, experience, past performance and other such factors as the Contractor and the Ordering Agency may mutually deem appropriate and reasonably related to the Government's minimum requirements. Upon request by the Government, the Contractor shall make available to the contracting officer all documents related to the selection of a subcontractor. In no event shall the service be provided by subcontractors listed as excluded from Federal Procurement Programs maintained by GSA pursuant to 48 C.F.R. 9.404 (Article 14.1-13 herein).

18.4. Warranty: For all Authorizations involving Energy Conservation Measures, it is desirable to have a Warranty Clause that addresses the specific needs and requirements of the work being performed and equipment that is to be provided by the Contractor, however, in the absence of a Warranty Clause in the Authorization the following language will serve as the default Clause:

The Company shall pass through to the Agency all warranties on equipment installed or provided by it or its subcontractors on Government property with the following representation:

SAN DIEGO GAS & ELECTRIC COMPANY ACKNOWLEDGES THAT THE UNITED STATES OF AMERICA WILL OWN OR LEASE THE EQUIPMENT AND/OR MATERIALS BEING INSTALLED OR SUPPLIED HEREUNDER, AND, ACCORDINGLY, AGREES THAT ALL WARRANTIES SET FORTH HEREIN, OR OTHERWISE PROVIDED BY LAW IN FAVOR OF COMPANY SHALL INURE ALSO TO THE BENEFIT OF THE UNITED STATES AND THAT ALL CLAIMS ARISING FROM ANY BREACH OF SUCH WARRANTIES OR AS A RESULT OF DEFECTS IN OR REPAIRS TO SUCH EQUIPMENT OR SUPPLIES MAY BE ASSERTED AGAINST SAN DIEGO GAS & ELECTRIC COMPANY OR MANUFACTURER DIRECTLY BY THE UNITED STATES.

Warranties shall become effective as of the date of beneficial use. Beneficial use is a mutually agreed date certain demonstrated by substantial completion of an Energy Conservation Measure (ECM).

18.5. The Ordering Agency shall submit to GSA a copy of all preliminary energy audit results or energy conservation measure analysis for review and approval. Upon written approval of the aforementioned information, the Ordering Agency may negotiate Task Orders with the Contractor for the implementation of the energy conservation measures described in the preliminary documents. The Ordering Agency shall provide GSA with copies of fully executed Exhibit "C" Authorizations for Energy Management Service resulting from approved energy audits, including any applicable attachments, at the address provided in Article 16.1.

18.6. Contractor Jurisdiction:

The Contractor shall not provide Energy Management Services to Federal facilities under this Agreement unless the facility is a current customer of the Contractor or a prospective customer of the Contractor that is located within a geographic area that the Contractor is authorized to serve.

18.7. Contractor Responsibility: The work that is to be performed under the Energy Management Service contract shall be limited to work resulting in a direct reduction in energy usage (see Article 1.1(j)) and any modifications or repairs that are necessary as a direct result of the installation of the Energy Conservation Measure.

ARTICLE 19. MISCELLANEOUS.

19.1. Contract administration: The Ordering Agency shall assist in the day-to-day administration of the utility service being provided to it under an Authorization.

19.2. Anti-Deficiency: Unless otherwise authorized by Public Law or Federal Regulation, nothing contained herein shall be construed as binding the Government to expend, in any one fiscal year, any sum in excess of the appropriation made by Congress for that fiscal year in furtherance of the matter of the contract or to involve the Government in an obligation for the future expenditure of monies before an appropriation is made (Anti-Deficiency Act, 31 U.S.C. 1341(a)(1)(A)).

19.3. Obligation to Serve: Nothing contained in this Areawide Contract shall obligate the Contractor to take any action which it may consider to be detrimental to its obligations as a public utility.

19.4. Term of Authorizations: It is recognized that during the life of this Areawide Contract, situations and/or requirements may arise where it may be desirable that the term of service to an Ordering Agency's facility extend beyond the term of this Areawide Contract. In such event, the particular Authorization involved may specify a term extending beyond the term of this Areawide Contract, provided that it is within the contracting authority of the Ordering Agency and appropriate termination liability provisions have been negotiated between the Contractor and Ordering Agency to address unamortized balances for connection charges and/or financing charges associated with Energy Management Service projects.

Attachment A

Clauses Incorporated in Full Text.

1. 52.216-1 Type of Contract (APR 1984)

As prescribed in 16.105, complete and insert the following provision:

TYPE OF CONTRACT (APR 1984)

The Government contemplates award of a fixed price/requirements contract resulting from this solicitation.

(End of provision)

2. 52.222-39 Notification of Employee Rights Concerning Payment of Union Dues or Fees (DEC 2004)

As prescribed in 22.1605, insert the following clause:

NOTIFICATION OF EMPLOYEE RIGHTS CONCERNING PAYMENT OF UNION DUES OR FEES (DEC 2004)

(a) *Definition.* As used in this clause—

“United States” means the 50 States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, and Wake Island.

(b) Except as provided in paragraph (e) of this clause, during the term of this contract, the Contractor shall post a notice, in the form of a poster, informing employees of their rights concerning union membership and payment of union dues and fees, in conspicuous places in and about all its plants and offices, including all places where notices to employees are customarily posted. The notice shall include the following information (except that the information pertaining to National Labor Relations Board shall not be included in notices posted in the plants or offices of carriers subject to the Railway Labor Act, as amended (45 U.S.C. 151-188)).

Notice to Employees

Under Federal law, employees cannot be required to join a union or maintain membership in a union in order to retain their jobs. Under certain conditions, the law permits a union and an employer to enter into a union-security agreement requiring employees to pay uniform periodic dues and initiation fees. However, employees who are not union members can object to the use of their payments for certain purposes and can only be required to pay their share of union costs relating to collective bargaining, contract administration, and grievance adjustment.

If you do not want to pay that portion of dues or fees used to support activities not related to collective bargaining, contract administration, or grievance adjustment, you are entitled to an appropriate reduction in your payment. If you believe that you have been required to pay dues or fees used in part to support activities not related to collective bargaining, contract administration, or grievance adjustment, you may be entitled to a refund and to an appropriate reduction in future payments.

For further information concerning your rights, you may wish to contact the National Labor Relations Board (NLRB) either at one of its Regional offices or at the following address or toll free number:

National Labor Relations Board
Division of Information
1099 14th Street, N.W.
Washington, DC 20570
1-866-667-6572
1-866-316-6572 (TTY)

To locate the nearest NLRB office, see NLRB's website at <http://www.nlr.gov>.

(c) The Contractor shall comply with all provisions of Executive Order 13201 of February 17, 2001, and related implementing regulations at 29 CFR Part 470, and orders of the Secretary of Labor.

(d) In the event that the Contractor does not comply with any of the requirements set forth in paragraphs (b), (c), or (g), the Secretary may direct that this contract be cancelled, terminated, or suspended in whole or in part, and declare the Contractor ineligible for further Government contracts in accordance with procedures at 29 CFR Part 470, Subpart B—Compliance Evaluations, Complaint Investigations and Enforcement Procedures. Such other sanctions or remedies may be imposed as are provided by 29 CFR Part 470, which implements Executive Order 13201, or as are otherwise provided by law.

(e) The requirement to post the employee notice in paragraph (b) does not apply to—

(1) Contractors and subcontractors that employ fewer than 15 persons;

(2) Contractor establishments or construction work sites where no union has been formally recognized by the Contractor or certified as the exclusive bargaining representative of the Contractor's employees;

(3) Contractor establishments or construction work sites located in a jurisdiction named in the definition of the United States in which the law of that jurisdiction forbids enforcement of union-security agreements;

(4) Contractor facilities where upon the written request of the Contractor, the Department of Labor Deputy Assistant Secretary for Labor-Management Programs has waived the posting requirements with respect to any of the Contractor's facilities if the Deputy Assistant Secretary finds that the Contractor has demonstrated that—

(i) The facility is in all respects separate and distinct from activities of the Contractor related to the performance of a contract; and

(ii) Such a waiver will not interfere with or impede the effectuation of the Executive order; or

(5) Work outside the United States that does not involve the recruitment or employment of workers within the United States.

(f) The Department of Labor publishes the official employee notice in two variations; one for contractors covered by the Railway Labor Act and a second for all other contractors. The Contractor shall—

(1) Obtain the required employee notice poster from the Division of Interpretations and Standards, Office of Labor-Management Standards, U.S. Department of Labor, 200 Constitution Avenue, NW, Room N-5605, Washington, DC 20210, or from any field office of the Department's Office of Labor-Management Standards or Office of Federal Contract Compliance Programs;

(2) Download a copy of the poster from the Office of Labor-Management Standards website at <http://www.olms.dol.gov>; or

(3) Reproduce and use exact duplicate copies of the Department of Labor's official poster.

(g) The Contractor shall include the substance of this clause in every subcontract or purchase order that exceeds the simplified acquisition threshold, entered into in connection with this contract, unless exempted by the Department of Labor Deputy Assistant Secretary for Labor-Management Programs on account of special circumstances in the national interest under authority of 29 CFR 470.3(c). For indefinite quantity subcontracts, the Contractor shall include the substance of this clause if the value of orders in any calendar year of the subcontract is expected to exceed the simplified acquisition threshold. Pursuant to 29 CFR Part 470, Subpart B—Compliance Evaluations, Complaint Investigations and Enforcement Procedures, the Secretary of Labor may direct the Contractor to take such action in the enforcement of these regulations, including the imposition of sanctions for noncompliance with respect to any such subcontract or purchase order. If the Contractor becomes involved in litigation with a subcontractor or vendor, or is threatened with such involvement, as a result of such direction, the Contractor may request the United States, through the Secretary of Labor, to enter into such litigation to protect the interests of the United States.

(End of clause)

3. 52.241-7 Change in Rates or Terms and Conditions of Service for Regulated Services (FEB 1995)

As prescribed in 41.501(d)(1), insert a clause substantially the same as the following:

CHANGE IN RATES OR TERMS AND CONDITIONS OF SERVICE FOR REGULATED SERVICES (FEB 1995)

(a) This clause applies to the extent services furnished under this contract are subject to regulation by a regulatory body. The Contractor agrees to give 30 days written notice of (1) the filing of an application for change in rates or terms and conditions of service concurrently with the filing of the application and (2) any changes pending with the regulatory body as of the date of contract award. Such notice shall fully describe the proposed change. If, during the term of this contract, the regulatory body having jurisdiction approves any changes, the Contractor shall forward to the Contracting Officer a copy of such changes within 15 days after the effective date thereof. The Contractor agrees to continue furnishing service under this contract in accordance with the amended tariff, and the Government agrees to pay for such service at the higher or lower rates as of the date when such rates are made effective.

(b) The Contractor agrees that throughout the life of this contract the applicable published and unpublished rate schedule(s) shall not be in excess of the lowest cost published and unpublished rate schedule(s) available to any other customers of the same class under similar conditions of use and service.

(c) In the event that the regulatory body promulgates any regulation concerning matters other than rates which affects this contract, the Contractor shall immediately provide a copy to the Contracting Officer. The Government shall not be bound to accept any new regulation inconsistent with Federal laws or regulations.

(d) Any changes to rates or terms and conditions of service shall be made a part of this contract by the issuance of a contract modification unless otherwise specified in the contract. The effective date of the change shall be the effective date by the regulatory body. Any factors not governed by the regulatory body will have an effective date as agreed to by the parties.

(End of clause)

NOTE: Insert language prescribed in 41.501(d)(1).

4. 52.252-1 Solicitation Provisions Incorporated by Reference (FEB 1998)

As prescribed in 52.107(a), insert the following provision:

SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer.

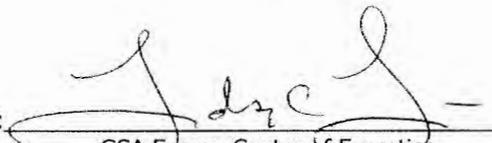

Also, the full text of a solicitation provision may be accessed electronically at this address:

<http://www.acqnet.gov>

(End of provision)

IN WITNESS WHEREOF, the parties have executed this Areawide Contract as of the day and the year first above written.
