7. IN REFERENCE TO BUILDOUT AND DELIVERY of the Leased Premises, the Lessor agrees to the following:

(a) In no event shall the Leased Premises be deemed to be ready for occupancy unless the same shall comply fully with all provisions of this Lease, including, but not limited to, the substantial completion of all improvements, requirements and construction in accordance with the specifications contained in this Lease, the SFO and the Government Layout Drawings and Finish Schedules, as referenced above and all documents referenced in the SFO and this Lease.

(b) The phrase "substantial completion" (or "substantially complete") shall mean that all work necessary to deliver the Leased Premises in accordance with each and every requirement and specification of this Lease, and all other appurtenant things necessary for the Government's access to the Leased Premises and the full occupancy, possession, use and enjoyment thereof, shall have been completed or obtained, including, without limitation, all required reviews, approvals, consents and permits including a certificate of occupancy for the Leased Premises allowing occupancy for each of the uses described in and by this Lease, excepting only such minor matters as do not interfere with or diminish such access, occupancy, possession, use or enjoyment. In no event will the Leased Premises be deemed "substantially complete" or ready for occupancy unless the security system for the Leased Premises is fully operational, as determined by the Tenant Agency and Contracting Officer.

(c) The Lessor hereby agrees that, as regards delivery of the Leased Premises to the Government ready for occupancy (hereinafter, "Delivery"):

(i) Time is of the essence.

(ii) Lessor shall complete the Tenant Improvements within one-hundred twenty (120) calendar days of receiving the "Notice to Proceed" from the Government and upon the completion of the Construction Drawings, following delivery of the Government Layout Drawings and Finish Schedules (hereinafter the "Delivery Date").

(iii) Except with regard to such "Punch List" items as may be identified in the Acceptance Notice as defined in Paragraph 7 (c)(v) hereof, it is a condition precedent to Delivery that all construction required under this Lease shall be substantially complete and comply with the requirements of FAR 52.246.12 and 21 and GSAR 552.246-71 (hereinafter, the "Regulations"), and all drawings, plans and specifications referenced in the SFO and this Lease that the Leased Premises otherwise fully comply with the requirements of this Lease.

(iv) As required under the Regulations, not less than ten (10) calendar days prior to the date on which the Leased Premises will, in the Lessor's reasonable, professional opinion, be ready for occupancy by the Government (the "Proposed Readiness Date"), the Lessor shall deliver to the Government written notice of said Proposed Readiness Date. Unless the Contracting Officer determines that the Leased Premises are not ready for inspection, not more than ten (10) calendar days following the Proposed Readiness Date, the Government shall commence inspection of all construction required under this Lease for compliance with the Regulations, the plans and all terms and conditions of this Lease (hereinafter, the "Compliance Inspection").

(v) It is a further condition precedent to Delivery hereunder that a satisfactory Compliance Inspection shall have been completed by the Government, and the Contracting Officer shall have delivered to the Lessor, written notice of the Government's acceptance of the Leased Premises as ready for occupancy (an "Acceptance Notice"), together with a Punch List or lists as contemplated in Paragraph 7(d) below, if applicable.

(vi) Lessor's failure to deliver the entire Leased Premises substantially complete and ready for occupancy, as defined in this Paragraph 7, on the Delivery Date, shall be deemed to be an event of default pursuant to the Default in Delivery clause of this Lease, Paragraph 11 of GSA Form 3517, General Clauses of this Lease (the "General" Clauses"), attached hereto and by this reference made a part hereof.

(vii) Government acceptance of the Leased Premises pursuant to the Compliance Inspection is an acknowledgment of the completion of the work inspected, but is not acceptance of conditions which cannot be fairly discovered until after the Government takes full operational occupancy, an acceptance of latent defects, a waiver of on-going compliance with performance-based specifications, standards and requirements, or a certification of compliance with laws, regulations or other approvals or requirements. Lessor shall remain fully responsible for all of these, and shall correct any conditions at its sole cost and expense upon written notice from the Government.

(viii) Government review of Lessor-prepared and submitted construction drawings and subsequent comments on same does not constitute a deviation from any provision, condition or requirement of this Lease unless specifically identified as such in writing by the Contracting Officer.

(d) If the Government accepts the Leased Premises as ready for occupancy and the Leased Premises are

substantially complete but not fully complete, then the Government will provide to the Lessor after the Compliance Inspection a Punch List of items remaining to be completed (the "Punch List Items"). Lessor and the Government agree that in the event that the Punch List Items have not been completed within 60 days after the date the Government deems the Leased Premises ready for occupancy, and provided that the Lessor is not making reasonable efforts to complete said Punch List items, the Government shall have the right to withhold from payments of rent due a sum of money equal to one and one-half times the estimated cost of completion of the outstanding Punch List Items. Upon completion of the Punch List Items, any sums retained by the Government shall be promptly paid to the Lessor. If Punch List Items are not fully completed within 30 days after the date the Government deems the Leased Premises ready for occupancy, the Government may exercise its rights under Paragraph 15 of the General Clauses of the Lease and may avail itself of any other remedy available to the Government at law or in equity.

(e) Lessor shall promptly notify the Government Contracting Officer of any inconsistency among or between any of the documents referenced herein, and the Contracting Officer shall promptly determine which shall control.

8. LUMP SUM REIMBURSABLE ITEMS: With regard to the work required to be performed by the Lessor hereunder, the Lessor shall provide, install, and maintain any items identified as "Lump Sum Reimbursable Items" for the sums agreed upon. Provided that the Lessor shall have completed and delivered to the Government by the Delivery Date all such items of work and materials in full compliance with the requirements of this Lease, and further provided that the Lessor shall have provided to the Government an invoice for all work performed pursuant to this paragraph in accordance with all requirements of this Lease, the Government shall pay to the Lessor, as provided in Paragraphs 23, 24, and 25 of the General Clauses, full consideration for the completed work required with regard to such Lump Sum Reimbursable Items.

9. TENANT IMPROVEMENT ALLOWANCE: Referencing Paragraph 3.2 of the SFO, Lessor has included in the rental rate a Tenant Improvement (TI) Allowance in the amount of \$548,702.37 (\$46.71 x 11,747 USF), amortized over five (5) years at the rate of 9.00%. The Government may return to the Lessor any unused portion of the TI Allowance in exchange for a decrease in rent or a rent credit according to the amortization rate and the Lessor and the Government shall confirm said rental adjustment, if any, in writing by execution of a Supplemental Lease Agreement.

10. THE GOVERNMENT SHALL HAVE THE RIGHT but not the obligation, at its sole option and expense, to remove at any time during the term of this Lease any special equipment installed by the Government or by the Lessor for which Lessor was directly reimbursed by the Government as referenced above, unless such item is a fixture integral to the operation of the Building; in no event shall the following be considered fixtures integral to the operation of the Building: roof antenna(e) and/or dishes, security cameras and monitors. Upon vacating the premises the Government shall remove all personal property from the Leased Premises.

the transferor, and the initial rental payment to the transferee, will be processed on the first day of the second month following the transfer of title.

If the notification of transfer and related information is not received until the sixteenth day of the month or later in which the transfer of title will be effected, the full contract rental for that month will be forwarded to the transferor. In this instance, it will be the responsibility of both the transferor and the transferee to submit in conjunction with other requested information, a letter of agreement regarding disposition of the monthly rent with respect to the effective date of transfer. In any instance, failure to submit documentation required for a transfer of title will result in a stop payment of rent until such time all documentation is received by the Contracting Officer.

12. THE GOVERNMENT AT ITS OWN EXPENSE shall be responsible for providing and installing telecommunications, computer cable, conventional furniture, systems furniture and certain other special equipment prior to acceptance and occupancy of the Leased Premises. Outside contractors may be hired by the Government to perform this work.
