 - (c) All construction in accordance with the SFO, including, without limitation, all provisions of the Architectural Finish Section of the SFO and the Approved Government Layout Drawings, Finish and Door Schedules, as further described herein, and attached hereto and made a part hereof.
 - (d) All services, including, without limitation, construction drawings and specifications, engineering and architectural services, and all permitting and approval requirements as are necessary to effect the construction and delivery of the Leased Premises in accordance with the requirements described herein; and
 - (e) All rights, reservations of rights, privileges and the like specified in, described by, or contemplated by this Lease.
6. IN REFERENCE TO BUILDOUT AND DELIVERY of the Leased Premises, the Lessor agrees to the following:
- (a) In no event shall the Leased Premises be deemed to be ready for occupancy unless the same shall comply fully with all provisions of this Lease, including, but not limited to, the substantial completion of all improvements, requirements and construction in accordance with the specifications contained in this Lease, the SFO and the Approved Government Layout Drawings and Finish and Door Schedules, as referenced in Paragraph 5 above and all documents referenced in such SFO and in this Lease,
 - (b) The phrase "substantial completion" (or "substantially complete") shall mean that all work necessary to deliver the Leased Premises in accordance with each and every requirement and specification of this Lease, and all other appurtenant things necessary for the Government's access to the Leased Premises and the full occupancy, possession, use and enjoyment thereof, shall have been completed or obtained, including, without limitation, all required reviews, approvals, consents and permits (including a final certificate of occupancy for the entirety of the Lease Premises allowing occupancy for each of the uses described in and by this Lease), excepting only such minor matters as do not interfere with or diminish such access, occupancy, possession, use or enjoyment. Further, as Lessor is aware, the security of the Leased Premises is of tantamount concern to the Government and in no event will the Leased Premises be deemed "substantially complete" or ready for occupancy unless the security system for the Leased Premises is fully operational, as determined by the Contracting Officer.
 - (c) The Lessor hereby agrees that, as regards delivery of the Leased Premises to the Government ready for occupancy (hereinafter, "Delivery"):
 - (i) Time is of the essence.
 - (ii) Lessor shall effect Delivery on that date 125 working days following award of the Lease (hereinafter the "Delivery Date").
 - (iii) Except with regard to such "Punch List" items as may be identified in the Acceptance Notice as defined in Paragraph 6(c)(v) hereof, it is a condition precedent to Delivery that all construction required under this Lease shall be substantially complete and comply with the requirements of FAR 52.246.12 and 21 and GSAR 552.246-71 (hereinafter, the "Regulations"), this reference made a part hereof, and all drawings, plans and specifications referenced in Paragraph 5 and that the Leased Premises otherwise fully comply with the requirements of this Lease.

- (iv) As required under the Regulations, not less than fifteen (15) working days prior to the date on which the Leased Premises will, in the Lessor's reasonable, professional opinion, be ready for occupancy by the Government (the "Proposed Readiness Date"), the Lessor shall deliver to the Government written notice of said Proposed Readiness Date. Unless the Contracting Officer determines that the Leased Premises are not ready for inspection, not more than ten (10) working days following the Proposed Readiness Date, the Government shall commence inspection of all construction required under this Lease for compliance with the Regulations, the plans and all terms and conditions of this Lease (hereinafter, the "Compliance Inspection").

Lessor shall remain fully responsible for all of these, and shall correct any conditions at its sole cost and expense upon written notice from the Government.
- (viii) Government review of Lessor-prepared and submitted design intent and construction drawings and subsequent comments on same does not constitute a deviation from any provision, condition or requirement of this Lease unless specifically identified as such in writing by the Contracting Officer.
- (d) If the Government accepts the Leased Premises as ready for occupancy and the Leased Premises are substantially complete but not fully complete, then the Government will provide to the Lessor after the Compliance Inspection a Punch List of Items remaining to be completed.
