AGENDA

GSA's Plans for Redevelopment of 202, 212, 214 & 220 S. State Street, Chicago

In response to our commitment to the Section 106 process of the National Historic Preservation Act, the U.S. General Services Administration invites you and other historic preservation focused organizations to hear about our plans for the Chicago Federal Campus expansion. GSA has commissioned three studies to help guide our decisions for the redevelopment of these State Street properties. We will provide a walk through of the buildings and then hold a meeting to review the studies and conclude with an opportunity for project-related dialogue. (Pictured at left, 202 S. State Street)
