Emerging Technology Forum

May 31, 2011 at the Sam Nunn Atlanta Federal Center

Network Services Division (NSD), Southeast Sunbelt Region is proud to present the **Emerging Technology Forum** on May 31, 2011 from 9:00 AM to 12:00 PM at the Sam Nunn Atlanta Federal Center (AFC) in Atlanta, GA! Join us for a half-day session as we have a three-dimensional dialogue about the launch of the GSA, Federal Acquisition Service (FAS) Emerging Technologies and the NSD Order Writing Center (OWC).

Topics for the forum include:

- Telepresence
- Voice over Internet Protocol (VoIP)
- NSD Order Writing Center (OWC)
- Smart Buildings
- Mobility as a Service (MaaS360)

Confirmed speakers include:

Mr. Shyam Reddy, Regional Administrator, Southeast Sunbelt Region (SESB)

Mr. Jack Odom, Acting Deputy Regional Commissioner, Regional PBS Competition Advocate (SESB)

Ms. Karen Roberts, Regional IT Manager, GSA Chief Information Office

Mr. Paul Morris, Branch Chief, Network Services Delivery Branch & Technology Acquisition Branch (SESB)

Ms. Bridget Williams, Branch Chief, Regional Telecom Services (SESB)

We invite you to attend this Emerging Technology Forum to learn about these upcoming initiatives first-hand! NSD provides up-to-the-minute telecommunication information for the Southeast Sunbelt Region Federal community. Come learn about how these Emerging Technologies will benefit your agency's mission!
