## GSA Federal Acquisition Service, Integrated Technology Services The National Information Technology Commodity Program

GSA Federal Acquisition Service, Integrated Technology Services recently launched the National Information Technology Commodity Program. The program's mission is to procure IT commodities and ancillary (integral and related) services for customers located nationwide using innovative solutions. The program offers innovative ordering of end-to-end solutions for IT commodities for federal, state, and local government customers nationwide.

**Coming  
Soon!**

**Innovative Ordering of end-to-end solutions! Blanket Purchase Agreements (BPAs) for IT Commodities:**  
Laptops, Notebooks, Netbooks, Computer Monitors, Video Tele-Conferencing, Mobile products (Voice over Internet Protocol, Webcams, Headsets) etc...

# National Information Technology Commodity Program
