

GREATER SOUTHWEST REGION

**METROPOLITAN LOCAL SERVICES CONTRACT FOR TEXAS**

**AT&T --- Contract # GS07T09BGD0001**

**TWTC --- Contract # GS07T09BGD0002**

The Greater Southwest Region awarded multiple Indefinite Delivery, Indefinite Quantity (IDIQ) telecommunications Metropolitan Local Services Contracts for Texas. The MLSA has a base period of XXX years with XXX one year options. These contracts offer a wide range of voice and digital local services. The offerings include both circuit switched and dedicated transmission services, extending from a single analog line to Primary Rate Interface (PRI services, to DSL, to point-to-point data connectivity. The contract offers substantial cost savings to federal customers as shown below.

<b>Typical savings by choosing the AT&amp;T or TWTC MLSA Contract over Tariff:</b>	<b>Non Recurring</b>	<b>Monthly Recurring</b>	<b>Non Recurring + 1st Month Recurring Total</b>
