(13) Additional spot discounts may be offered, on a delivery order basis, in accordance with the terms of the GSA Schedule (70) contract and this BPA.

(14) Ordering

- (a) Ordering will be accomplished by decentralized contracting offices. Ordering Contracting Officers/Purchase Officials shall place orders in accordance with the GSA Schedule (70) contract procedures and this BPA.
- (b) The Service CIOs will identify associates who will be authorized to purchase equipment under this BPA. The list of authorized buyers will be submitted to the Contractor to be provided access privileges. All authorized buyers will be duly appointed Contracting Officers and/or Government purchase card holders within the General Services Administration, and will have ordering authority in accordance with their individual buying authority.

- (c) Individual delivery orders will identify the Contracting Officer/Purchasing Official and the Contracting Officer's Representative (COR), if applicable.
- (d) Orders will be accepted within one (1) business day after receipt. If an order requires modification, the Contractor will notify the ordering activity within one (1) business day after receipt.
- (e) Orders shall be received and accepted online, via the Worldwide Web (www), telephonically and by facsimile. In the event, the automated ordering system becomes unavailable for use, the Contractor shall accept orders telephonically and by facsimile.
- (f) The online ordering system will be accessible to all authorized GSA associates through the Internet. GSA associates will be provided access to the website and the GSA, BPA information. After the initial registration, users will use a password to gain future access to the site. Step-by-step instructions for placing and tracking orders will be provided on the website.

(16) Inspection and Acceptance

- (a) Inspection and acceptance shall be as specified under the GSA Schedule (70) contract and individual delivery orders.

(17) Invoicing

- (a) The requirements for submitting proper invoices for payment shall be specified in the individual delivery orders issued against this BPA, in accordance with the GSA Schedule (70) contract. Invoices will be submitted to the address specified in each delivery order issued against this BPA.
- (b) The terms and conditions included in this BPA apply to all purchases made pursuant to it. Any inconsistency or error in submission of Contractor's invoices may result in a delay in payment.

(18) Warranty

- (a) The Contractor shall provide warranty support to the Government, in accordance with the GSA Schedule (70) contract terms and conditions and this BPA.

(19) Product Changes

- (a) The Contractor shall send electronic notification via e-mail to the Contracting Officer of any technology upgrades, substitutions, or changes projected to be or currently offered for ordering under this BPA.
- (b) On a delivery order basis, the Contractor may make product substitutions either to the base systems, internal system components, options or external peripherals as long as the substituted item is the same or better technology at the same or lower price. Delivery order modifications will not be required. The invoice will reflect the actual product shipped not the product ordered.

(20) Prevailing Terms and Conditions

All orders placed against this BPA are subject to the terms and conditions of the GSA Schedule (70) contract. In the event of a conflict between the provisions of the BPA and the GSA Schedule (70) contract, the provisions of the GSA Schedule (70) contract will take precedence. All Electronic Information Technology (EIT) procured under the BPA must meet the applicable accessibility standards at 36 CFR, unless an agency exception to this requirement exists. 36 CFR 1194 implements Section 508 of the Rehabilitation Act of 1973, as amended, and is viewable at the following URL: www.section508.gov.
