AMENDED PROSPECTUS – LEASE
U.S. DEPARTMENT OF VETERANS AFFAIRS
THE VILLAGES, FL

Prospectus Number: PFL-27-VA25
Congressional District: 6, 11

Executive Summary

The General Services Administration (GSA) proposes to amend prospectus PFL-22-VA23 for an outpatient clinic lease of approximately 140,144 net usable square feet (NUSF) for the U.S. Department of Veterans Affairs (VA), replacing a separate outpatient facility totaling 74,715 NUSF in the vicinity of The Villages, FL. The Senate Committee on Environmental and Public Works and the House Committee on Transportation and Infrastructure approved the original prospectus on July 26, 2023, and July 27, 2023, respectively. This amended prospectus seeks authority to increase the rental rate as, the previously approved rental rate proved to be insufficient for medical space in the current market. The delineated area is this prospectus is revised to match the delineated area in the approved in the VA prospectus and included in the VA lease solicitation.

The lease will be delegated to VA, provide continued services for The Villages veteran community, and provide the necessary expansion services to meet current and projected service delivery gaps for healthcare in the local market.

AMENDED PROSPECTUS – LEASE
U.S. DEPARTMENT OF VETERANS AFFAIRS
THE VILLAGES, FL

Prospectus Number: PFL-27-VA25
Congressional District: 6, 11

Current Total Unserviced Annual Cost:	$1,442,349
Estimated Unserviced Rental Rate[2]:	$65.25 per NUSF
Estimated Total Unserviced Annual Cost[3]:	$9,145,000

Justification

A new 140,144 NUSF lease in The Villages will replace the existing The Villages VA Clinic and allow for decompression of the Malcom Randall VA Medical Center.

The current space in these facilities is insufficient to meet the projected needs of the veteran community. Space limitations and an increase in workload limit veterans' access to services in a timely manner.

The new facility will enhance VA outpatient services by closing space gaps identified in VA's Strategic Capital Investment Planning process. The new lease will allow VA to provide comprehensive primary care, mental health, and specialty care services to the veteran population in The Villages area in a rightsized and state-of-the-art healthcare facility.

Summary of Energy Compliance

The Government will incorporate energy efficiency requirements into the Request for Lease Proposals and other documents related to the procurement of space based on the approved prospectus. The Government encourages offerors to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher[4].

Resolutions of Approval

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required net usable area.

---

[2] This estimate is for fiscal year 2029 and may be escalated by 2.2 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is unserviced (taxes, insurance, management, and maintenance and repair reserves included); however, the lease contract may include operating expenses paid by the lessor.
[3] New leases may contain an escalation clause to provide for annual changes in real estate taxes.
[4] Per the legal authority in 42 U.S.C. § 17091 based on the originating legislation EISA 2007 § 435, with only certain exceptions, federal agencies are not to enter into a contract to lease space in a building that has not earned the ENERGY STAR label in the most recent year.

Interim Leasing

The Government will execute such interim leasing actions as are necessary to ensure continued housing prior to the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

Certification of Need

The proposed project is the best solution to meet a validated Government need.
