REMARKS

*Section 3679 of the Revised Statutes, as amended (31 U.S.C. 1518, 1519) exacts severe penalties for exceeding amounts available in any appropriation or fund or in any approved administrative sub-division thereof. The allowance of funds authorized herewith, and the subsequent obligation and expenditures thereof, is restricted to the amount of the funds allowed, subject to any specific limitations otherwise indicated. Furthermore, if the total availability on this allotment includes estimates, the amounts allowed must be adjusted from time to time for significant changes, and the obligations or expenditures restricted to the amounts which will actually become available. Consistent with the foregoing, and to the extent necessary, and adjustment will be effected promptly in this allotment.
