

Periodic Building Cleaning Work Assignment and Report		1. Building Name and Number			
		2. Time	A. Began	B. Completed	3. Total Personnel
<p>INSTRUCTIONS: This form is to be used by custodial supervisors in making daily assignments for periodic cleaning work and by custodial employees to report completed work. Work accomplished and reported on this form is to be entered on a daily basis on the <u>Rotational Card System</u> and building floor plans in order to maintain periodic cleaning work on current basis. This form is for use by floor maintenance personnel, night cleaners, wall washers, window washers, and all others, as appropriate. Under the "Remarks" column, show location and amount of work not completed, if any, and state reasons: note unusual conditions such as equipment or power failure, reassignment to another job, etc. It shall be turned in to the supervisor each day at the close of work.</p> <p>Cleaning contractors are to use this form to propose periodic work to be done the following work day and to report the jobs performed that day for comparison with schedule cleaning requirements. This form should be submitted to the designated GSA representative each day at the close of work. The contracting officer's designated representative shall use this form to grant approval of proposed work and to perform inspections of work reported complete. NOTE: GSA Form 64 indicating work scheduled and work completed for contracted jobs such as: window washing, blind washing, insect and rodent control, carpet cleaning, etc., shall be submitted to the designated GSA representative daily.</p>
