

**Strengthening Democracy and Improving Our Communities Across All Levels of Government:
The United States Experience**

Wed, May 29, 2024 1:00 p.m. – 3:00 p.m. EST

Meeting Overview

Agenda:

The agenda for the session is as follows:

1:00 PM - 1:10 PM	Welcome and Introductory Remarks
1:10 PM - 2:30 PM	U.S. State, Local, Tribal and Territorial Perspectives
2:30 PM - 2:45 PM	The U.S. Experience at the Federal Level
2:45 PM - 2:55 PM	The U.S. Experience at the Global Level
2:55 PM - 3:00 PM	Closing Remarks

Welcome and Introductory Remarks:

- **Daniel York**, Director, U.S. Open Government Secretariat, U.S. General Services Administration
 - Welcome, and overview of the session structure as well as Zoom features for this event.
- **Jennifer Lewis**, Senior Advisor for Open Government, The White House, Office of Science and Technology Policy
 - Overview of the White House's goals to harness science, technology, and innovation.
 - Emphasis on President Biden's vision for inclusive democracy and public engagement.
 - Open Government Partnership (OGP):
 - History and purpose of OGP, established in 2011 by President Obama and leaders from other nations.
 - Expansion of OGP to include 75 member countries and over 150 local governments.
 - Core values: transparency, participation, and engagement to reinforce trust in democracies.
 - Event Flow:
 - Overview of the presentations from local leaders and federal representatives.

U.S. State, Local, Tribal and Territorial Perspectives:

- **Moderator: Jennifer Lewis**, Senior Advisor for Open Government, The White House, Office of Science and Technology Policy

Strengthening Democracy and Improving Our Communities Across All Levels of Government:

The United States Experience

Wed, May 29, 2024 1:00 p.m. – 3:00 p.m. EST

- **Daniel Culotta**, Chief Innovation Officer, City of Austin, Texas
 - City of Austin's OGP Initiatives
 - Austin's participation as one of the first local members of OGP
 - Overview of the first and second action plans, focusing on homelessness, equity assessment tools, and public meetings
 - Collaboration with civil society partners
 - Planning for the third action plan with a focus on anticipatory and strategic foresight elements.
- **Amber Jackson**, Chief Equity Officer, City of Little Rock, Arkansas
 - Introduction as Chief Equity Officer and acknowledgment of partnership with the Arkansas Center for Research in Economics (ACRE)
 - Data Standards and Policies:
 - Address collection aligned with national standards, demographic standards, and equity considerations
 - Creation of a Freedom of Information Act request log and a capital improvements dashboard
 - Anti-Corruption and Integrity:
 - Launch of the Rockfolio, including the Rock Review (public report card) and the City Wallet (tracking ARPA spending and contracts)
 - Inclusion and Digital Governance:
 - Launch of a minority business enterprise map and AI-based access strategy for non-English speakers.
- **Betsy MacLean**, Chief Policy & Innovation Officer, New York City Mayor's Office of Policy & Planning, New York
 - Establishment of the Mayor's Office of Engagement to center community engagement
 - Goals to maximize and improve the quality of community engagement and coordinate efforts across agencies
 - Types of Engagement:
 - Various engagement methods from sharing information to shared decision-making
 - Community Data and Metrics:
 - Focus on both quantitative and qualitative data to inform policies and measure the impact of engagement efforts.
- **Paula Starr**, Chief Information Officer, Cherokee Nation
 - Introduction as Chief Information Officer and overview of the Cherokee Nation
 - Gadugi Portal:
 - Implementation of a citizen access portal to deliver digital services and gather community feedback

**Strengthening Democracy and Improving Our Communities Across All Levels of Government:
The United States Experience**

Wed, May 29, 2024 1:00 p.m. – 3:00 p.m. EST

- Use of the portal to engage citizens in decisions about funding and services
- Community Projects:
 - Examples of community-driven projects like the Angel Project and Gadugi Portal (volunteer program).
- Questions and Answer Themes for SLTT Panel
 - Identifying Areas for Open Government Approaches:
 - **Daniel Culotta** (City of Austin):
 - Initial focus on homelessness and equity assessment tools
 - Shift to a more collaborative approach involving multiple city departments and civil society
 - **Amber Jackson** (City of Little Rock):
 - Prioritized data standards and policies to enhance transparency
 - Focus on right to information and fiscal openness
 - **Betsy MacLean** (City of New York):
 - Centered community engagement as a core function of government
 - Leveraged quantitative and qualitative data to inform and measure engagement
 - **Paula Starr** (Cherokee Nation):
 - Focused on digital engagement through the Gadugi Portal
 - Used community feedback to prioritize and fund projects
 - Impact of Open Government Approaches:
 - **Daniel Culotta** (City of Austin):
 - Use of advisory panels and resident involvement in budget allocations
 - Emphasis on long-term engagements for significant impact
 - **Amber Jackson** (City of Little Rock):
 - Highlighted improvements in accessibility of public information
 - Success in creating a transparent and interactive governance model
 - **Betsy MacLean** (City of New York):
 - Enhanced coordination and effectiveness of community engagement
 - Improved policy development through community data and metrics
 - **Paula Starr** (Cherokee Nation):

Strengthening Democracy and Improving Our Communities Across All Levels of Government: The United States Experience

Wed, May 29, 2024 1:00 p.m. – 3:00 p.m. EST

- Effective use of the Gadugi Portal for community-driven initiatives
- Stronger community relations and better-informed decision-making
- Cross-Pollination of Ideas:
 - **Paula Starr** (Cherokee Nation):
 - Inspired by Little Rock's AI and minority business enterprise map
 - Plans to implement similar initiatives for Cherokee vendors.

The U.S. Experience at the Federal Level:

- **Shaibya Dalal**, Federal Equity and Engagement Lead, White House, Office of Management and Budget
 - Development of a government-wide framework for public participation and community engagement (PPCE)
 - Public feedback mechanisms including RFIs, online forms, and listening sessions
 - Next steps include drafting the framework, public comment, and creating user-friendly reference tools.
- **Bobby Talebian**, Director, Office of Information Policy, Department of Justice
 - Freedom of Information Act (FOIA)'s role in promoting open government and democracy
 - Government-wide initiatives to improve FOIA processes, including developing common standards and enhancing proactive disclosures
 - Overview of FOIA commitments in national action plans and efforts to standardize FOIA technology.
- **Phil Lam**, Beneficial Ownership Operations and Innovation Chief, Financial Crimes Enforcement Network (FinCEN), Department of the Treasury
 - Discussion on the implementation of the Corporate Transparency Act (CTA)
 - Establishment of a registry to track the actual owners of businesses to prevent illicit activities
 - Public comment process and feedback mechanisms to improve the implementation of the CTA
 - Current status of the registry and ongoing efforts to enhance transparency and feedback.

The U.S. Experience at the Global Level:

- **Jennifer Lewis**, Senior Advisor for Open Government, The White House, Office of Science and Technology Policy

**Strengthening Democracy and Improving Our Communities Across All Levels of Government:
The United States Experience**

Wed, May 29, 2024 1:00 p.m. – 3:00 p.m. EST

- U.S. Elected in 2023 to a three-year term on the OGP Steering Committee
- Collaboration among USAID, the Department of State, and GSA to promote transparency and accountability globally
- Promotion of OGP as a tool for U.S. foreign and national policy priorities
- State Department and USAID Initiatives:
 - State Department's international engagement on OGP priorities
 - USAID's support at both global and country levels to advance commitments in democracy and community engagement
- Encouragement to Participants:
 - Importance of global learning and participation in Open Gov events worldwide
- Recognition of GSA and the U.S. Open Government Secretariat's contributions
- **Daniel York**, Director, U.S. Open Government Secretariat, U.S. General Services Administration
 - Management of domestic aspects of OGP participation
 - Facilitation of national action plans and Federal Advisory Committee
 - Encouragement to check event materials and follow up on ongoing initiatives.

Closing Remarks:

- **Daniel York**, Director, U.S. Open Government Secretariat, U.S. General Services Administration
 - Thanks to all participants and panelists
 - Accessing event materials and ongoing efforts to promote open government can be found here:
<https://open.usa.gov/national-action-plan/5/schedule-of-open-govt-public-meetings/>
 - Brief mention of future events and initiatives planned by the U.S. Open Government Secretariat.
- **Jennifer Lewis**, Senior Advisor for Open Government, The White House, Office of Science and Technology
 - Acknowledgement of the diverse and impactful work shared by local and federal representatives
 - Emphasis on the importance of collaboration at all levels of government and the ongoing commitment to open government principles
 - Overview of the U.S. participation in the Open Government Partnership (OGP) and the role of the U.S. Open Government Secretariat
 - Encouragement to follow the U.S. Open Government Secretariat for updates and future initiatives
