## 1. COVID-19 Related

- a. The COVID National Emergency declaration temporarily authorized an increase to the amount of annual leave that an employee can carry over. This authorized carryover expired on December 31, 2021.
- b. All required Social Security (Old Age, Survivors, and Disability Insurance - "OASDI) tax withholdings that were temporarily deferred from employees from September through December 2020 were offset from employee wages paid from January to December 2021. This required salary offset activity ceased with the first pay period of 2022.
- c. GSA Payroll will issue Corrected 2020 W-2Cs in 2022 to all employees who had their Social Security (Old Age, Survivors, and Disability Insurance - OASDI) collected in full by pay period ending December 18, 2021. This corrected form will reflect full withholding of the employee's share of Social Security taxes in box 4 of the W-2. Per IRS guidance, no further steps are required if you had only one employer in 2020 and your 2020 Form W-2C only shows a correction to box 4. You should consult with your personal financial or tax adviser about this form and any further actions required.

## 2. Reminder To Review Your Earnings and Leave Statement in Employee Express

Each employee is provided a comprehensive Earnings and Leave Statement (ELS) every pay period, whereby you can determine the accuracy of your pay and leave.

Although your servicing HR Office, supervisor and the GSA Payroll Operations staff have many internal controls in place and make every effort to process your personnel, timecard and payroll actions promptly and without error, mistakes can happen. One of the internal controls is for you to review your biweekly ELS. The ELS is located at Employee Express and is designed for you to identify and report mistakes in your pay, benefits, deductions, and leave balances.

Reviewing your ELS every pay period is important, especially at the beginning of the calendar year when many changes are implemented. If there is an error in your pay from either pay calculation or withholdings and you are overpaid, you will be required to pay back any overpayments received as a debt to the government.

The Comptroller General of the United States has repeatedly ruled that if an employee has information available to them regarding their pay and an error occurs, they must pay back any resulting overpayments. In rare instances and on a case-by-case basis, an erroneous overpayment may be waived. In that event, the erroneous overpayment

becomes taxable and will be reportable to the Internal Revenue Service (IRS) to determine if it is taxable income.

### 3. **NEW** Salary Changes for 2022

- a. Differences in your pay beginning in the pay period ending (PPE) on January 15, 2022, (and electronically transferred on January 21, 2022) may be the result of changes in the following:
  - An across-the-board pay raise of 2.2% and an additional .5% locality pay adjustment for Federal employees.
  - FEHB Health Benefits Insurance rate changes.
  - 2022 CFC contributions (See section 14 details below)
- b. Federal Employee Dental and Vision Insurance Program (FEDVIP) changes.
- c. Federal, state, and local tax changes (See section 7 details below)
- d. Flexible Spending Account (FSAFEDS) Health Care limit is \$2,850 annually, an increase of \$100 from 2021.

### 4. Federal Income Tax Withholding (IRS Form W-4)

- a. The IRS Form W-4, Employee's Withholding Allowance Certificate, is used by employees to designate how much of their taxable income is to be withheld and remitted to the IRS as advance tax payments throughout the year. To help you with calculating your tax withholdings, the IRS provides [a tax withholdings estimator](#).
- b. Please note that the IRS Form W-4 does go through updates and changes. The GSA Payroll Operations monitors and updates its payroll system to comply with these changes. Employees should refer to the IRS websites (<https://www.irs.gov/forms-pubs/about-form-w-4>) to download the latest form and research their questions when making and submitting their changes.
- c. You can update your Federal income tax withholdings one of two ways:
  - 1) Sign into [Employee Express](#) and click on "Federal Tax" on the left side of the main menu.
  - 2) Goto the IRS [website](#) download the IRS Form W-4 form, complete the form, sign it and send the form to the GSA Payroll Operations at:

Email: [KC-Payroll.Finance@gsa.gov](mailto:KC-Payroll.Finance@gsa.gov)

Fax: (816) 823-5435

Postal Mail: GSA Payroll Operations (BGC)  
2300 Main Street 2NW Kansas City, MO 64108

## 5. Federal Income Tax Withholding (IRS Form W-4) Exempt from Taxes

a. You may claim exemption from Federal tax withholding for 2022 if you meet both of the following conditions: you have no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if:

(1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than line 32), or

(2) you were not required to file a return because your income was below the filing threshold for your correct filing status.

b. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. You have two options to claim EXEMPT from Federal tax:

1) Using the EEX and using the Federal Tax (W-4) function, select the check box at the bottom of the next screen and certify the statements on the final tax EXEMPT screen.

**2) To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps.** You will need to submit a new Form W-4 by February 15, 2022.

c. Please note that effective February 15, 2022, your prior year IRS Form W-4 (2020) filing "Exempt" status expires. If GSA Payroll has not received an IRS Form W-4 for the 2022 tax year by February 16, 2022, we will begin withholding federal income tax under the "single/no exemption" formula as of PPE February 26, 2021. There are no refunds of tax withholdings if the IRS Form W-4 claiming "Exempt" status is submitted late.

## 6. 2021 Wage And Tax Statement (IRS Form W-2) Update

The GSA Payroll Operations will issue the 2021 IRS Form W-2, Wage and Tax Statement using EEX services. If you received your 2020 IRS Form W-2 electronically

or you registered to receive an electronic 2021 IRS Form W-2 before the close of business on December 17, 2021, you are registered to receive your 2021 IRS Form W-2 on-line through EEX.

The online 2021 IRS Form W-2 was made available to all employees on or before January 31, 2022, through the EEX [website](#). If you elect to receive your IRS Form W-2 in paper format, your IRS Form W-2 will be postmarked and mailed by January 31, 2022.

Upon an employee's separation, the GSA Payroll Operations will automatically set the indicator to have your W-2 mailed to your address on record with the Payroll Operations.

Employees should examine their IRS Form W-2 closely for legibility, accuracy, and completeness. The instructional guide for reading the 2021 IRS Form W-2 may be found on the GSA Payroll [website](#). You should compare the IRS Form W-2 with your final ELS for PPE December 18, 2021, to verify accuracy and completeness of the tax information included on the IRS Form W-2. Report any discrepancies to the GSA Payroll Operations Customer Service Center by email to [kc-payroll.finance@gsa.gov](mailto:kc-payroll.finance@gsa.gov).

## 7. **NEW** Federal, State And Local Income Tax Changes

The Federal and the following states and localities have new payroll tax rates in PPE 01/01/2022:

- State Tax Changes: California, Georgia, Illinois, Iowa, Kentucky, Maine, Michigan, Minnesota, Missouri, Nebraska, New Mexico, New York, North Carolina, North Dakota, Oklahoma, Oregon, Rhode Island, South Carolina, Vermont, and Wisconsin.
- Local Tax Changes: City of Yonkers, Ohio School Districts and various Pennsylvania Act 32 localities.

Additional States have not published withholding rates for 2022. As these States publish new guidelines a message will be sent out through EEX to notify employees.

Note: Please review your ELS to determine these effects on your pay.

## 8. **New** TSP Deferral Limits

The IRS deferral limit for 2022 is \$20,500. If you are turning 50 or are over the age of 50, you may contribute an additional \$6,500 for a total of \$27,000 in 2022.

## 9. Supplemental Wage Withholding Rate

Supplemental wages are non-regular wage payments to an employee. They include payments such as awards, overtime, severance pay, back pay, voluntary separation incentive payments, amended timecards and retroactive pay increases.

The federal income tax withholding rate for supplemental wages for 2022 will continue to be 22 percent (as in 2021). State and local taxes are applied as well.

#### 10. Cancellation Of Debt (IRS Form 1099-C)

If a federal government agency, financial institution, or a credit union cancels or forgives a debt owed of \$600 or more, an IRS Form 1099-C, Cancellation of Debt, must be provided to you.

Generally, you must include all canceled amounts, even if less than \$600, on the "Other income" line of IRS Form 1040, U.S. Individual Income Tax Return. IRS Form 1099-C, will be mailed by January 31, 2022.

Consult the IRS, or your financial/tax advisor, if you have additional questions on preparing your individual tax return.

#### 11. **NEW** Old-Age, Survivors And Disability Insurance (OASDI) and Medicare Rates

The 2021 and 2022 wage base limits for these two programs are shown in the table below. In 2021, the Medicare tax rate is 1.45 percent. The OASDI tax rate is 6.2 percent.

Year	OASDI Wage Base Limit	Medicare Wage Base Limit
2021	\$142,800	Unlimited*
2022	\$147,000	Unlimited*

*\*Under a provision of the Affordable Care Act, the employee-paid portion of the Medicare tax is subject to the 0.9 percent additional Medicare tax on amounts over statutory thresholds that are not inflation-adjusted and thus apply to more employees each year.*

The threshold annual compensation amounts that trigger the additional Medicare tax are:

- \$250,000 for married taxpayers who file jointly.
- \$125,000 for married taxpayers who file separately.

- \$200,000 for single and all other taxpayers.

## 12. **NEW** Flexible Spending Account (FSA) carryover amount increased for 2022

The maximum carryover amount for health FSA plans that permit the carryover of unused amounts in 2022 is **\$570**. This is an increase of \$20 from the original 2021 carryover limit.

## 13. **NEW** Pre Tax Qualified Transportation Fringe Benefits (TEA-21) Program

The IRS regulations allow employees to use pre-tax earnings to pay for the monthly cost of qualified vanpools, qualified parking expenses, or transit passes (where the agency does not provide a transit pass issued directly to their employees).

The IRS regulations (effective January 2022) authorize employees to claim up to \$280 per month in qualified parking benefits. In addition, employees can also claim up to \$280 per month for transportation in a commuter highway vehicle (a vehicle seating six or more passengers, not counting the driver). The \$280 monthly benefit for a commuter highway vehicle, when combined with the Transit Fare Subsidy, cannot exceed the \$280 per month limitation.

Reminder for all employees already enrolled in the TEA-21 benefit program, if your monthly costs change or you no longer qualify for the pre-tax transportation benefit, GSA employees must complete a GSA Form 3667 and other agency employees should use the Optional Form 3667, Application for Pre-tax Transportation Fringe Benefits (TEA-21) Program to update or cancel your participation. Links to these forms can be found on the GSA Payroll [Website](#) under the “Forms, Documents and Other Links” tab.

To obtain information and program forms, employees of the GSA and its client agencies should contact their servicing HR Office, the GSA Payroll Operations, or visit the [GSA Forms Library](#). Once an employee completes the appropriate Form 3667, send the form to the GSA Payroll Operations at:

Email: KC-Payroll.Finance@gsa.gov  
Fax: (816) 823-5435  
Postal Mail: GSA Payroll Operations (BGC)  
2300 Main Street 2NW Kansas City, MO 64108

### **Exceptions:**

Employees of the Railroad Retirement Board (RRB) should contact Patricia Hopkins at (312) 751-4511 or Patricia.Hopkins@rrb.gov with questions specifically related to the RRB Pre Tax Transit Benefits Program.

Employees of the Senate Restaurant Associates are not eligible for the pre-tax Qualified Transportation Fringe Benefits program through the GSA Payroll Operations.

#### 14. **NEW** Combined Federal Campaign (CFC) Contributions

All employee 2022 CFC contributions will take effect in PPE January 29, 2022 (EFT pay date February 4, 2022). Please verify your CFC withholding for this PPE by checking your ELS against your pledge receipt. The 2022 CFC pledges received for new employees will take effect in the first pay period after receipt.

#### 15. Official Worksite for Location-Based Pay Purposes

Certain location-based pay entitlements (such as locality payments, special rate supplements, and non-foreign area cost-of-living allowances) are based on the location of the employee's official worksite associated with the employee's position of record. An agency must document an employee's official worksite on the employee's Notification of Personnel Action (Standard Form 50 or equivalent). See "Duty Station" blocks 38 and 39 of the Standard Form 50 showing the city/county and state in which the official worksite is located.

The official worksite generally is the location where the employee regularly performs his or her duties. If the employee's work involves recurring travel or the employee's work location varies on a recurring basis, the official worksite is the location where the work activities of the employee's position of record are based, as determined by the employing agency, subject to the requirement that the official worksite must be in a locality pay area in which the employee regularly performs work.

Whenever you have a personnel change, it is your responsibility to verify the accuracy of the change and report to your Servicing HR Office if you find an error. If you have any questions about your duty station, please contact your servicing HR Office. If there is an error in your pay because of a change in your official duty station and you are overpaid, you will be required to pay back any overpayments received as a debt to the government.

#### 16. Within-Grade Pay Increases (WIGI)

Within-Grade Increases (WIGI) are pay increases received by Federal employees after they have served a specific amount of time at a certain grade level and demonstrated at least an acceptable level of performance.

A WIGI is effective on the first day of the first pay period beginning on or after the completion of the required waiting period. You can calculate your next WIGI by finding

the effective date on the SF-50, Notification of Personnel Action for your last WIGI and using the chart below:

<b>WIGI Step</b>	<b>Waiting Period Between Steps</b>
2, 3 and 4	52 calendar weeks (1 year)
5, 6 and 7	104 calendar weeks (2 years)
8, 9 and 10	156 calendar weeks (3 years)

Whenever you have a personnel change, it is your responsibility to verify the accuracy of the change and report to your Servicing HR Office and supervisor if you find an error. If you have any questions about your WIGI date, please contact your servicing HR Office. If there is an error in your WIGI effective date and you are overpaid, you will be required to pay back any overpayments received as a debt to the government.

#### 17. Allowances for Employees Relocated to or Temporarily Deployed in Foreign Areas

The Department of State Standardized Regulations (DSSR) governs employee allowances and benefits available to the U.S. Government civilians assigned to foreign areas. Employees should check both the DSSR and their agency's implementing policies for guidance on a specific allowance. The DSSR and other information of foreign allowances may be found on the State Department's website.

#### 18. GSA Voluntary Leave Transfer Program (VLTP)

The GSA VLTP allows employees to donate annual leave to employees who are experiencing (or whose family member is experiencing) a medical emergency. Your donation may not exceed the lesser of:

One-half of the annual leave the donor would be entitled to accrue during the leave year in which the donation is made. For example, if you are in the 8-hour leave category no more than 104 hours could be donated OR,

If the employee is projected to otherwise forfeit "use-or-lose" leave at the end of the year, the number of hours remaining in the leave year of the donation for which the employee is scheduled to work and receive pay.

Approved donated leave recipients should contact their timekeeper or supervisor if you have questions on your donated leave balance. Also, remember it is your responsibility to review your ELS and work with your timekeeper and supervisor to ensure that the correct amount of donated leave is charged to your time and attendance records.

For more information on the GSA Voluntary Leave Transfer Program visit the VLTP [website](#).
