BASIS OF OVERCHARGE

In accordance with the Debt Collection Act (DCA) of 1982 (31 U.S.C. 3711 ET SEQ.), has the authority to charge interest costs against commercial debtors. Currently, interest is charged automatically under the DCA from the date of THIS notice of overcharge. Additionally, if the Government Bill of Lading (GBL) or the Government Transportation Request (GTR) contains a contract provision relating to the assessment of interest, then interest is charged under the contract terms thereof. If neither contains such a provision, then interest is assessed under the DCA (31 U.S.C. 3717) and the Federal claims collection standards - Title 31 Subtitle B Chapter IX, and the Code of Federal Regulations (CFR) at 41 CFR 102-118.
