Please be specific where/how the money from the budget is spent every year, including salaries to any employees and improvement/repair/maintenance dollars spent. In other words, specific line item budget numbers. 2.The Federal employees who work on the Federal Center's property pay a membership fee in the amount of 192\$ annually. How much does Building 75 get from the membership fees each year. I'd like the numbers for 2010, 2011, 2012. Including how many people are members any given year. 3. The federal agencies on the DFC property rent buildings from GSA. In at least one contract obtained by 9NEWS, there is a line item in the fed agency is contractually obligated to pay GSA for the use of Building 75. Please provide a list of agencies housed on Federal Center's property identifying how much each agency contributes every year to the use of Building 75. Numbers from 2010, 2011, and 2012 please.
