## SECTION 1 GENERAL TERMS, CONDITIONS, AND STANDARDS

**NOTE: ALL PARAGRAPHS IN SECTION 1 ARE MANDATORY UNLESS SPECIFICALLY NOTED OTHERWISE. DO NOT DELETE WITHOUT CONSULTING LEGAL COUNSEL**

### 1.01 DEFINITIONS AND GENERAL TERMS (SMALL) (OCT 2022)

Unless otherwise specifically noted, all terms and conditions set forth in this Lease shall be interpreted by reference to the following definitions, standards, and formulas:

A. Common Area Factor (CAF). The Common Area Factor (CAF) is a conversion factor determined by the Building owner and applied by the owner to the ABOA SF to determine the RSF for the leased Space. The CAF is expressed as a percentage of the difference between the amount of rentable SF and ABOA SF, divided by the ABOA SF. For example 11,500 RSF and 10,000 ABOA SF will have a CAF of 15%  $[(11,500 \text{ RSF} - 10,000 \text{ ABOA SF}) / 10,000 \text{ ABOA SF}]$ . For the purposes of this Lease, the CAF shall be determined in accordance with the applicable ANSI/BOMA standard for the type of space to which the CAF shall apply.

B. Rentable Space or Rentable Square Feet (RSF). Rentable Space is the area for which a tenant is charged rent. It is determined by the Building owner and may vary by city or by building within the same city. The Rentable Space may include a share of Building support/common areas such as elevator lobbies, Building corridors, and floor service areas. Floor service areas typically include restrooms, janitor rooms, telephone closets, electrical closets, and mechanical rooms. The Rentable Space does not include vertical building penetrations and their enclosing walls, such as stairs, elevator shafts, and vertical ducts. Rentable Square Feet is calculated using the following formula for each type of Space (e.g., office, warehouse, etc.) included in the Premises:  $\text{ABOA SF of Space} \times (1 + \text{CAF}) = \text{RSF}$ .

C. Space. The Space shall refer to that part of the Premises to which the Government has exclusive use, such as Occupant Area, or other type of Space. Parking areas to which the Government has rights under this Lease are not included in the Space.

D. Occupant Area. For the purposes of this Lease, Space shall be measured in accordance with the standard (Z65.1-2017) provided by American National Standards Institute/Building Owners and Managers Association (ANSI/BOMA) for Occupant Area, which means "the total aggregated area used by an Occupant before Load Factors are applied, consisting of Tenant Area and Tenant Ancillary Area." The Method A – Multiple Load Factor Method shall apply. References to ABOA mean ANSI/BOMA Occupant Area.

### 1.02 AUTHORIZED REPRESENTATIVES (OCT 2016)

Signatories to this Lease shall have full authority to bind their respective principals with regard to all matters relating to this Lease. No other persons shall be understood to have any authority to bind their respective principals except to the extent that such authority may be explicitly delegated by notice to the other party, or to the extent that such authority is transferred by succession of interest. The Government shall have the right to substitute its Lease Contracting Officer (LCO) by notice without an express delegation by the prior LCO.

**NOTE: THIS PARAGRAPH MAY BE DELETED IF THE LESSOR DID NOT REPRESENT ITSELF AS A HUBZONE BUSINESS**

### 1.03 HUBZONE SMALL BUSINESS CONCERNS ADDITIONAL PERFORMANCE REQUIREMENTS (SLAT) (OCT 2020)

If the Lessor is a qualified HUBZone small business concern (SBC) that did not waive the price evaluation preference then as required by 13 C.F.R. 126.700, the HUBZone SBC must spend at least 50% of the cost of the contract incurred for personnel on its own employees or employees of other qualified HUBZone SBC's and must meet the performance of the work requirements for subcontracting in 13 C.F.R. § 125.6(c). If the Lessor is a HUBZone joint venture, the aggregate of the qualified HUBZone SBC's to the joint venture, not each concern separately, must perform the applicable percentage of work required by this clause.

If the Lessor is a HUBZone small business concern (SBC) that did not waive the price evaluation preference, the Lessor shall provide a certification within 10 days after Lease award to the LCO (or representative designated by the LCO) that the Lessor was an eligible HUBZone SBC on the date of award. If it is determined within 20 days after award that a HUBZone SBC Offeror that has been awarded the Lease was not an eligible HUBZone SBC at the time of award, and the HUBZone SBC Lessor failed to provide the LCO with information regarding a change to its HUBZone eligibility prior to award, then the Lease shall be subject, at the LCO's discretion, to termination, and the Government will be relieved of all obligations to the Lessor in such an event and not be liable to the Lessor for any costs, claims, or damages of any nature whatsoever.

### 1.04 WAIVER OF RESTORATION (OCT 2021)

Lessor shall have no right to require the Government to restore the Premises upon expiration or earlier termination (full or partial) of the Lease, and waives all claims against the Government for:

- A. Waste, or,
- B. Damages or restoration arising from or related to:
  1. The Government's normal and customary use of the Premises during the term of the Lease (including any extensions thereof), as well as
  2. Any initial or subsequent alteration to the Premises regardless of whether such alterations are performed by the Lessor or by the Government.

At its sole option, the Government may abandon property in the Space following expiration or earlier termination (full or partial) of the Lease, in which case the property will become the property of the Lessor, and the Government will be relieved of any liability in connection therewith.

#### 1.05 NOVATION AND CHANGE OF OWNERSHIP (SMALL) (OCT 2016)

Consistent with GSAM 570.115, in the event of a transfer of ownership of the leased premises or a change in the Lessor's legal name, FAR 42.12 applies.

#### 1.06 ASBESTOS (SMALL) (SEP 2021)

The leased space shall be free of all asbestos containing materials, except undamaged asbestos flooring in the space or undamaged boiler or pipe insulation outside the space, in which case an asbestos management program conforming to Environmental Protection Agency guidance shall be implemented. The space shall be free of other hazardous materials and in compliance with applicable Federal, State, and local environmental laws and regulations. If asbestos abatement work is to be performed in the Space after occupancy, the Lessor shall provide relocation and submit to the Government documentation that the abatement was done in accordance with OSHA, EPA, DOT, state, and local regulations and guidance and that final clearance for re-occupancy was achieved.

B. Application Process: The background investigation will be done using the Government's prescribed process. The Lessor must provide information on each of their contractor/personnel meeting the above criteria to the Government, whereupon each identified contractor/personnel will be notified with instructions for completing the identity verification application within a given time frame. The application process will include completing supplemental information forms that must be inputted into the identity verification system in order for the application to be considered complete. Additionally, the Lessor must ensure prompt completion of the fingerprint process for their contractor/personnel. Email notifications will be sent with instructions on the steps to be taken to schedule an appointment for fingerprinting at an approved regional location along with instructions on how to complete the background investigation application.

C. The Lessor must ensure the Lease Contracting Officer (or the Lease Contracting Officer's designated representative) has all of the requested documentation timely to ensure the completion of the investigation.

Additionally, the Lessor must notify the Lease Contracting Officer or their designee whenever a GSA PIV Access card is lost or stolen in which event the Lessor may be responsible for reimbursing the Government for replacement credentials at the current cost per PIV HSPD12 credential. Unreturned PIV Access cards will be considered as lost or stolen cards.

H. The Government reserves the right to conduct additional background checks on Lessor personnel and contractors with routine access to Government leased Space throughout the term of the Lease to determine who may have access to the Premises.
