

GSA Multiple Award Schedule (MAS) Consolidation For Government Buyers

Researching and Purchasing Using the New Schedule

MAS Consolidation

Adding value, supporting your agency mission, and simplifying the buying process

Focus on Solution-Buying

Buyers can easily search through 12 large categories and 82 subcategories to find a total solution that meets your mission-critical needs.

Facilities

Furniture & Furnishings

Human Capital

Industrial Products and Services

Information Technology

Miscellaneous

Office Management

Professional Services

Scientific Management and Solutions

Security and Protection

Transportation and Logistics Services

Travel

Offerings are now mapped to NAICS codes for easier search and comparison. NAICS code descriptions were re-written in plain language for increased clarity and differentiation.

Focusing on solution-buying makes it easier to find and purchase a total solution.

Ex: Furniture and Interior design are both found under the "Furniture and Furnishing" Category

Faster Acquisition

Less contract duplication as buyers do not have to piece together a solution from multiple contracts on multiple Schedules.

Faster research and acquisitions as Schedule holders move all offerings to one single contract.

One set of terms and conditions across the MAS Program, ensuring more consistency in contracting practices and faster review and negotiation time.

Increased Competition

Increased transparency, as all products and services are part of the same Schedule

Compare suppliers' full suite of offerings

What MAS Consolidation Isn't Changing

Active Blanket Purchase Agreements

Existing orders not disrupted

Period of performance, contract number, and contracting officer

Vetted/Qualified Industry Vendors – no change in products and services offered

Access to small businesses

Best-in-Class/Spend Under Management Solutions
