Look ahead

- Perimeter security fence installation will commence.
- Perimeter security fence installation will be on going on the west side of the project site.
- Ductbanks for electrical utilities across I-81 at the north side of the existing inspection lanes will be installed.
- Parking deck topping slabs will be completed.
- Main building foundation construction will begin.

Project facts

- **Scope:** Facility-wide modernization and expansion.
- **Cost:** \$215 million
- **Congressional appropriations:** Phase one funding appropriated in [fiscal year 2016 budget](#).
- Phase two funding appropriated in fiscal year 2018 in the amount of approximately \$133 million.
- **Contract:** Awarded in June 2017 to Northland/Cianbro Joint Venture.

Advisories

All commercial traffic has been re-routed to the new Road C on the west side of the site. The existing road to the I-81 south on-ramp is closed.

Please pay attention to all wayfinding and traffic signs, drive slowly, and be cautious around construction activity.
