
OVERSEAS EMPLOYMENT TRANSPORTATION AGREEMENT

(For employee returning to the same post of duty following leave)

I, _____, hereby agree to remain in the service of the General Services Administration for a period of _____ months from time of arrival at my post of duty in:

_____.

I understand that if I fail to remain in the service of the Government for 12 months following my return to my overseas post, unless separated for reasons beyond my control and acceptable to GSA, I will be indebted for any amounts spent by the Government for the transportation and per diem for myself and transportation of my immediate family from my post of duty to my place of actual residence for the purpose of taking leave and for return to the overseas post of duty.

In addition, I must bear the expense of transportation for myself, my family, and household goods and personal effects from my post of duty to my place of actual residence, and I will be indebted to the Government for any amounts spent by the Government for these purposes. Since I completed an agreed period of service under my prior agreement, however, and was entitled to allowances for the return of myself, my family, and household goods and personal effects from my post of duty to my actual residence at the time of my appointment or transfer, the cost that would have been incurred for that purpose will be applied as a setoff against the indebtedness resulting from my failure to complete the required 12 months of Government service.

I also understand that if I complete 12 months of service under this agreement but do not complete the entire period specified in paragraph one above, unless separated for reasons beyond my control and acceptable to GSA, I must bear the costs of return transportation for myself, my immediate family, and household goods and personal effects from my overseas post to my actual residence. This indebtedness shall be offset, however, by an amount equal to the costs of transporting, from my post of duty to my place of actual residence at time of appointment or transfer, my household goods and personal effects and any members of my immediate family who did not accompany me when I returned to my actual residence for leave.
